Here are entered collections of folk songs in various unrelated languages. Works in a single language or group of languages are entered under this heading with language qualifier, e.g. Folk songs, English; Folk songs, Slavic. For works consisting of folk songs of an individual ethnic group, an additional subject entry is made under the heading [ethnic group]--Music, or [ethnic group]--[place]--Music, when appropriate. For works consisting of folk songs of a particular place, an additional subject entry is made under the heading Folk music--[place] or Music--[place].
