Talmud Torahs (Schools)
USE Jewish religious schools
Talmudic academies
[BM502]
Here are entered works on academies and assemblages of scholars in Palestine and Babylonia from which the texts of the Mishnah and the Jerusalem and Babylonian Talmuds developed and which were the antecedents of the yeshivas. Works on institutions devoted principally to talmudic and rabbinic learning, including the training of rabbis, founded from about the 11th century onward, are entered under Yeshivas. Works on institutions that were first founded in the early 19th century and are intended principally for the training of rabbis in a modern academic setting are entered under Rabbinical seminaries.

Trios *(May Subd Geog)*
[M300-M386]
Here are entered collections of compositions for three instruments belonging to various families and in various combinations. Collections of compositions not in a specific form or of a specific type for a single combination of three instruments, and individual works, are entered under this heading followed by a parenthetical qualifier with the names of the instruments or the term "unspecified instrument(s)."
Compositions not in a specific form or of a specific type for three bowed stringed instruments are entered under String trios; for three wind instruments under Wind trios; for three brass instruments under Brass trios; for three woodwind instruments under Woodwind trios; and for three plucked stringed instruments under Plucked instrument trios.
Compositions for piano, violin and cello are entered under Piano trios.
Compositions for three percussionists are entered under Percussion ensembles.
Compositions for three solo voices are entered under Sacred vocal trios or Vocal trios.

Trusts, Industrial *(May Subd Geog)*
[HD2758.5]
Here are entered works on combinations in restraint of trade in which stock ownership is transferred to trustees, who in turn issue trust certificates and dividends and who attempt to achieve monopolistic control over output, prices, or markets. Works on combinations in which independent business enterprises formally agree among themselves to control or limit output, prices, and/or markets so as to achieve monopolistic power are entered under Cartels.
