Aunt Lute Books has been committed to publishing high quality, culturally diverse literature since 1982. In 1990, the Aunt Lute Foundation was formed as a nonprofit corporation to publish and distribute books that reflect the complex truths of women's lives and the possibilities for personal and social change. We seek work that explores the specificities of the very different histories from which we come, and that examines the intersections between the borders we all inhabit.

Please write, phone, or e-mail (books@auntlute.com) if you would like us to send you a free catalog of our books. You may buy books from our website, by phoning in a credit card order, or by mailing a check with the catalog order form.
