IMAGINATION AT YOUR FINGERTIPS.

The Library of Congress invites you to be part of a national celebration of the creativity inspired by local libraries. Tell us how your library has helped you explore your creative potential. By sharing personal examples of inspiration, you can join the great minds which have made an impression on history. Select entries will be chosen to be part of the Library's permanent collection, joining the likes of Thomas Jefferson and other American legends.

EXPLORE. DISCOVER. BE INSPIRED
