Sacred monologues with music
Here are entered collections of sacred musical works in which spoken language is an integral part. Individual works and collections for a specific medium of performance are entered under the heading followed by the medium. The medium "instrumental ensemble" stands for two or more different solo instruments; "voice" for solo voice of high, low, or medium range; and "chorus" for men's, mixed, women's, or children's voices in two or more parts. Collections of secular, or sacred and secular, musical works in which spoken language is an integral part are entered under Monologues with music.

Septets *(May Subd Geog)*
[M700-M786]
Here are entered collections of compositions for seven instruments belonging to various families and in various combinations. Collections of compositions not in a specific form or of a specific type for a single combination of instruments, and individual works, are entered under this heading followed by a parenthetical qualifier with the names of the instruments or the term "unspecified instrument(s)."
Compositions for seven bowed stringed instruments are entered under String septets; for seven wind instruments under Wind septets; for seven brass instruments under Brass septets; for seven woodwind instruments under Woodwind septets; and for seven plucked stringed instruments under Plucked instrument septets.
Compositions for seven percussionists are entered under Percussion ensembles.
Compositions for seven solo voices are entered under Sacred vocal septets or Vocal septets.

Sextets *(May Subd Geog)*
[M600-M686]
Here are entered collections of compositions for six instruments belonging to various families and in various combinations. Collections of compositions not in a specific form or of a specific type for a single combination of six instruments, and individual works, are entered under this heading followed by a parenthetical qualifier with the names of the instruments or the term "unspecified instrument(s)."
Compositions for six bowed stringed instruments are entered under String sextets; for six wind instruments under Wind sextets; for six brass instruments under Brass sextets; for six woodwind instruments under Woodwind sextets; and for six plucked stringed instruments under Plucked instrument sextets.
Compositions for six percussionists are entered under Percussion ensembles.
Compositions for six solo voices are entered under Sacred vocal sextets or Vocal sextets.
