Shipping *(May Subd Geog)*
[HE561-HE971]
Here are entered general works on the transportation of persons or goods by water, as well as on the vessels used in this activity. Works confined to inland or coastal water transportation, in general, are entered under the headings Inland water transportation or Coastwise shipping. Works on water transportation on individual lakes, rivers, etc. are entered under Shipping subdivided by the name of the lake, river, etc. Works on ocean-going merchant fleets are entered under the heading Merchant marine.
Works on shipping in the sense of the dispatch of goods by any means of transportation are entered under the heading Shipment of goods when relating to the activities of the shipper, or Freight and freightage when relating to those of the carrier.

Slasher films *(May Subd Geog)*
[PN1995.9.S554]
This heading is used as a topical heading for works about films that feature teenagers or young adults who are stalked and graphically killed by a psychopathic killer, usually in the course of one night. Works about films that feature explicit gore and graphic violence, including mutilation of the human body are entered under Splatter films. When used as topical headings they are subdivided by the appropriate geographic, topical and/or form subdivisions.

Sonata
[ML1156 (History)]
[MT62 (Composition)]
Here are entered general works on the musical form for solo instruments or chamber music combinations, usually in more than one movement and composed between the 17th century and the present. Works on the structure of individual movements in sonata form are entered under the heading Sonata form. Works on the sonata for particular instruments are entered under the heading Sonatas qualified by instruments and with appropriate subdivision, e.g. Sonatas (Clarinet and piano)--History and criticism, Sonatas (Piano)--Analysis, appreciation, Sonatas (Violin and piano)--Encyclopedias.
Musical compositions for one or two solo instruments titled "Sonata" are entered under the heading Sonatas, followed if appropriate by medium of performance.

Sonata form
[MT62 (Composition)]
Here are entered works on the structure of individual movements in sonata form. General works on sonatas for solo instruments or chamber music combinations, usually in more than one movement and composed between the 17th century and the present are entered under the heading Sonata.
UF Sonata-allegro form
BT Musical form
Sonatas
Here are entered miscellaneous collections of compositions for one or two solo instruments. Individual sonatas and collections of sonatas for a specific medium of performance are entered under

Sonatas *(Continued)*
the heading followed by the medium.

Sonatas for three or more solo instruments are entered under headings for chamber music, e.g. Trio sonatas; Piano quintets; Quartets; String quartets; Trios (Clarinet, harp, percussion); Wind trios.

General works on the sonata as a chamber music form are entered under the heading Sonata. Works on the structure of individual movements in sonata form are entered under the heading Sonata form. Works on the sonata for particular instruments are entered under the heading Sonatas qualified by instrument(s) and with appropriate subdivision, e.g. Sonatas (Clarinet and piano)--History and criticism; Sonatas (Piano)--Analysis, appreciation; Sonatas (Violin and piano)--Encyclopedias.

Songs *(May Subd Geog)*
Here are entered works for solo voice with secular texts. Works with sacred texts are entered under the heading Sacred songs. For works consisting of art songs, this heading is qualified as appropriate by voice range and specification of accompaniment, e.g. Songs (High voice) with piano; Songs with orchestra; Songs, Unaccompanied. For works consisting of songs of ethnic or national character this heading is qualified by the name of the language or language group and subdivided by place, e.g. Songs, French; Songs, English--United States; Songs, Slavic.
For works consisting of songs of an individual ethnic group, additional subject entries are made under the headings [ethnic group]--[place]--Music and Music--[place]. For works consisting of songs of a national group, additional subject entry is made under the heading Music--[place].
