Dear Mr. Reid:

This is to acknowledge your letter of July 14, regarding Miss Eudora Welty.

Miss Welty sent us a portfolio of her pictures, as well as a letter inquiring about a vacancy for a photographer in this office. We were very much impressed by her photographs, but, unfortunately, there is no such vacancy in our office at this time. However, we are keeping Miss Welty's name in our files, and we shall get in touch with her when need for her services arises.

Sincerely yours,

O. E. Walke,
Executive Assistant.
