

**PCC Standing Committee on Training (SCT)**  
**April 2010**

PCC SCT committee members: George Prager (New York University Law School), Steve Shadle (University of Washington), Rebecca Uhl (Chair, Arizona State University), Iris Wolley (Columbia University), Bob Wolverton, Jr. (Mississippi State University)

Liaisons: Glenn Patton (OCLC), Carolyn Sturtevant (LC/BIBCO)

**Map Cataloging Course**

Paige Andrew presented his map cataloging course to date at the SACO-At-Large meeting at ALA Midwinter. Although no longer an SCT member, he continues to develop his course and remains in contact with the SCT chair.

**BIBCO Standard Record Training**

Following feedback gathered at ALA Midwinter, the SCT has drafted a “cheat sheet” for the BIBCO Standard Record, following the model of the CSR cheat sheet. The draft will be presented at OpCo to see if the document would be useful, after which the SCT will either complete the document or table it.

The SCT is also assembling a task group to develop training for the BSR, with an intended audience of new BIBCO libraries and new catalogers at existing BIBCO libraries. Iris Wolley, Columbia University, has agreed to chair the TG, which will begin working by mid-May, with a tentative completion date of August 31, 2010. The task group will also be suggesting means of delivering the training, including online, in-person or hybrid delivery methods.

Other options for BSR training and documentation will be explored as desired by PCC/BIBCO members.

Respectfully submitted,

Rebecca Uhl
