The image appears to be a page from a document with a list of headings and subheadings. The text seems to be cataloging various topics and resources related to Alaska, including place names, companies, and media outlets. The page lists a variety of topics such as Alaskan natural gas pipelines, Alaskan panhandle, and Alaska Native businesses. There are also references to cultural aspects like the Aleutian Islands, the Pribilof Islands, and Nunivak Island. The text is dense and appears to be a resource guide or a reference list for readers interested in topics related to Alaska.

Arab-Israel conflict
[DS119.7-DS119.76]
Here are entered works on the political and military conflicts between Arabs and Israel, including the question of national rights in the area of the former mandate for Palestine beginning in 1948, and comprehensive works that include the earlier period. Works on the general relations between Arabs and Jews as well as works on the question of national rights in Palestine up to 1948 are entered under Jewish-Arab relations. Works on general foreign relations between Israel and specific Arab countries are entered under Israel—Foreign relations—[place], with an additional entry under [place]—Foreign relations—Israel.
This heading may be further subdivided by the subdivisions used under individual wars.
