[M1627 (Music)]
[ML3545 (Music literature)]
[PN154-1PN1545 (Folk poetry)]
Here are entered collections of folk songs in various unrelated languages. Works in a single language or group of languages are entered under this heading with language qualifier, e.g. Folk songs, English; Folk songs, Slovak. For works consisting of folk songs of an individual ethnic group, an additional subject entry is made under the heading [ethnic group]–Music, or [ethnic group]–[place]–Music, when appropriate. For works consisting of folk songs of a particular place, an additional subject entry is made under the heading Folk music–[place] or Music–[place]

[May Subd Geog]

Here are entered works on foreign exchange produced by foreign film companies. When the heading is subdivided by place, the subdivision refers to the locality where the films are available or viewed. Works on motion pictures produced by film companies in a specific country and available or viewed in another country or countries are entered under the heading Motion pictures qualified by the country of origin, e.g. Motion pictures, American. Works on motion pictures in a foreign language produced for the export market are entered under the heading Foreign language films.

This heading is not used for individual films, which are entered under headings appropriate to the content, genre, and/or form of the film.

Here are entered works on mild forms of psychopathology.

Ex-Yugoslav republics

Former Yugoslavia

Here are entered works discussing collectively the independent countries that emerged from the breakup of Yugoslavia in 1991-1992, 2003, and 2006, including Bosnia and Herzegovina, Croatia, Kosovo (Republic), Macedonia (Republic), Montenegro, Serbia, and Slovenia, or to works discussing the equivalent area. Works on the country of Yugoslavia before 1992 as well as works on the Federal Republic of Yugoslavia (Serbia and Montenegro) until February 2003 are entered under Yugoslavia. Works on its successor from 2003 until 2006 are entered under Serbia and Montenegro. Works on the other individual countries, including works on the corresponding republics prior to independence, are entered under the name of the country.

Christ, his Virgin Birth, the substitutionary Atonement, and his physical Resurrection and Second Coming are entered under Fundamentalism. Works on religious topics opposed to modernity and secularism and seeking a revival of orthodox or conservative religious beliefs and practices by fostering growth of religious fervor in the populace and by curtailing or eradicating the influence of felt alien values are entered under Religious fundamentalism.
