Landing operations

Here are entered general works on the landing of waterborne or airborne troops on hostile territory, including the tactics of transporting, landing and establishing such troops and their supplies, and combat during the landing phase. Works on the joint operation of air, land, and sea forces to establish troops on shore, as developed in World War II, are entered under Amphibious warfare.

Lute music (Lutes (2))
Lute ensembles
[MG958-M969]
Here are entered compositions not in a specific form or of a specific type for ten or more solo lutes and collections of compositions in several forms or types for various numbers of solo lutes.
Compositions for fewer than ten solo lutes are entered under Plucked instrument trios (Lutes (3)); Plucked instrument quartets (Lutes (4)); and similar headings. When used for an accompanying ensemble in headings, the term "lute ensemble" stands for two or more solo lutes.
SA headings for forms and types of music that include lute ensemble and headings with medium of performance that include lute ensemble
