

Bibliography of Bibliographies H 1325

BACKGROUND: Prior to 1998, lists of bibliographies on specific topics were entered under the heading **Bibliography–Bibliography**, further subdivided by the appropriate topic, for example, **Bibliography–Bibliography–Botany**. In 1998, the heading **Bibliography–Bibliography** was changed to **Bibliography of bibliographies** and the free-floating form subdivision **–Bibliography of bibliographies** was established for use under subjects. This instruction sheet provides guidelines for assigning headings to works that are bibliographies of bibliographies.

1. General rule. Assign the heading **Bibliography of bibliographies** to a work that consists of a list of bibliographies not limited to any specific topic.

2. Bibliography of bibliographies on specific topics. To a work that consists of a list of bibliographies on a specific topic, assign the appropriate heading for the topic, subdivided by the free-floating form subdivision **–Bibliography of bibliographies**. *Examples:*
