REPUBLIC OF BOLIVIA
MINISTRY OF FOREIGN AFFAIRS
AND WORSHIP

No. T.C. 72

LA PAZ, January 26, 1942

Mr. Chargé d’Affaires:

I have the honor to state to you that, in conformity with the Legation’s note no. 199 and the Foreign Office note no. 867 of December 29 last, my Government is prepared to negotiate with the Government of the United States of America an agreement on the exchange of publications and scientific and literary works which are published under the official auspices of the two Governments.

The said agreement will be based on the following provisions:

1. The official interchange office for the remittance of the publications of the Republic of Bolivia is the Department of Intellectual Cooperation of the Foreign Office. The official interchange office on the part of the United States of America is the Smithsonian Institute.

2. The publications involved in the interchange shall be forwarded, on the part of Bolivia, to the Library of Congress of the United States of America; on the part of the United States of America, to the Library of the Bolivian Ministry of Foreign Affairs, while the National Library of La Paz is in the process of organization.

3. The Government of the Republic of Bolivia shall remit regularly one copy of the complete series of the official publications of its different departments, ministries, universities, general directorships, banks, and other institutions. A list of the said publications with an accurate description thereof will be included in the interchange agreement (List No. 1). This list shall be amplified without previous notice as the Government may see fit to create new offices.
4. The Government of the United States shall furnish one copy of each of the official publications included on the attached List No. 2. This list shall be extended to include, without the necessity of subsequent negotiation, any new important publications that may be included by any agency of the United States Government in the future.

5. With respect to the Government offices which are not issuing publications at the present time and are not mentioned on the attached lists, it is understood that such publications as they may issue in the future shall be supplied under the interchange agreement at the rate of one copy.

6. This agreement does not cover confidential publications, circulars, and other documents of a private nature of the two Governments.

7. Each one of the contracting parties agrees to pay postal, rail, and shipping rates and other charges established within its own country on the publications forwarded.

8. This agreement does not imply any modification of the existing interchange agreements between the different departments and official agencies of the two countries.

In case your Government agrees to the text of the provisions of the present note and the enclosed lists, the agreement shall enter into effect on the date on which this Foreign Office receives the return note from you and the duration thereof shall be indefinite, but it may, however, be abrogated on three months' notice.

I take the opportunity to renew to you, Mr. Chargé d'Affaires, the assurances of my most distinguished consideration.
