This list shall be extended to include, without the necessity of subsequent negotiations, any new offices that the Government may create in the future.

4. The Government of Estonia shall furnish regularly in one copy a full set of the official publications of its several departments, bureaux, offices, and institutions. A list of such departments and instrumentalities is attached (List No. 2). This list shall be extended to include, without the necessity of
subsequent negotiations, any new offices that the Government may create in the future.

5. With respect to departments and instrumentalities which at this time do not issue publications and which are not mentioned in the attached lists, it is understood that publications issued in the future by those offices shall be furnished in one copy.

6. Neither Government shall be obliged by this agreement to furnish confidential publications, blank forms, or circular letters not of a public nature.

7. Each party to the agreement shall bear the postal, railroad, steamship, and other charges arising in its own country.

8. Both parties express their willingness as far as possible to expedite shipments.

9. This agreement shall not be understood to modify the already existing exchange agreements between the various government departments and instrumentalities of the two countries.

Upon receipt of your Note, identical in terms to the present communication, the Estonian Government will consider that the foregoing agreement comes into force on the day following its ratification by the President of the Republic of Estonia.
