1.6J. MORE THAN ONE SERIES STATEMENT

If some parts or issues of a multipart item or serial are published in one series and other parts/issues are published in another series, precede each series title with an indication of the particular parts or issues to which that series title applies. If a series has changed its title (cf. AACR2 21.2C and its LCRI), treat each title as a separate series. Separate the indication of the particular parts from the series title with a colon-space.
