LIST 1. SUBJECT HEADINGS REVISED 1999-2001

This is a comprehensive list of subject headings that were revised in 1999-2000 and on weekly lists 01-36 of 2001. Headings changed in 1999 were revised to replace conventional geographic name forms with pinyin forms. Headings changed in 2000-2001 were revised to replace Wade-Giles terms with pinyin forms or other terms that are more commonly used in English-language reference sources. For headings that were revised in both 1999 and 2000, their intermediate forms are given in parentheses following the basic listing.
