Webinar instructions

- Send us your questions using the Question box as they occur to you
- We will either answer them either as they occur, OR during the Q&A session, OR afterwards

Search, Advanced Search

- *Presenter: Colleen Cahill*

What help is available

- Most functions have brief hovertext messages
- Context-sensitive help is available throughout the product
  - www.loc.gov/cds/desktop/help/en/
- Desktop discussion list
  - www.loc.gov/cds/desktop/ugroup.html
- Training resources:
  - www.loc.gov/cds/desktop/training/

Session 2 Q&As

- **Q**: When will CD4 be released?
  - **A**: The rollout will begin at 5 PM eastern time on Wednesday, September 10
- **Q**: Does the Language search facet limit the search to the resource's language, or the languages that the resource covers?
  - **A**: It limits the search to the resource's language
- **Q**: Do the New resources search facet limit the search to just "new" resources?
  - **A**: No, it also includes resources that have been updated during that time period.

Session 2 Q&As

- **Q**: Will it be possible to search RDA within Cataloger's Desktop?
  - **A**: Yes, if you have a subscription to RDA Toolkit
- **Q**: Will phrase searching be available?
  - **A**: Yes
- **Q**: Will wildcards, e.g. * or ? be available?
  - **A**: Yes, but not with the initial release
- **Q**: Will Boulean OR and NOT be available?
  - **A**: Yes

Thank you

Bruce Johnson
