Effective October 1, 2024 Cataloging Distribution Services (CDS) will no longer accept paper checks or money orders as forms of payment for subscriptions and services. CDS will accept payments drawn from your existing bank account and credit/debit card via Pay.gov <https://www.pay.gov/public/form/start/13480673434>. You can begin submitting payments via [Pay.gov](#) today!

By eliminating mail payments, CDS will be able to more efficiently service your account. Payments made via [Pay.gov](#) are secure and fast. Most transaction payments will be reflected in your account within 24 hours. This eliminates delays that some customers experienced accessing services due to delays with mailed payments.
