To order, and for complete shipping information, please visit www.loc.gov/cds/howtoorder.html.

For shipping and handling charges, please refer to our shipping rates chart (www.loc.gov/cds/downloads/ShippingFees.pdf). Our standard shipping method is via a traceable service provider (e.g., UPS or FedEx). The shipping chart reflects "average" shipping rates for standard delivery. Actual shipping fees will be added to your order based on the total order weight and the level of service you select.

If you require expedited delivery, special handling services (i.e., air mail, courier, overnight delivery, etc.) or an exact shipping quote, please contact Customer Service at cdsinfo@loc.gov

Note: As of April 1, 2013, CDS shipping rates will increase for the first time in 2 years. The increase is due to higher fuel prices, heavier weights of our new products, and price increases from our commercial carriers. Although commercial shipping prices for U.S. delivery service remain relatively competitive, international rates have increased by 4.5%. We cannot solely absorb these increases and have adjusted our rates accordingly.

For more information about the CDS print publications transition read the press release at <http://www.loc.gov/cds/downloads/print.pdf>
