Ladies and Gentlemen

My name is Kimberly Herrington. I'm the adviser for SCAD Radio in Savannah, Georgia. SCAD Radio is an Internet noncommercial educational webcaster. The motion concerning the rule setting copyright royalty minimum fees and terms that the Judges will establish for compulsory copyright licenses for Internet transmissions of sound recordings by college radio stations and other noncommercial educational webcasters submitted by College Broadcasters, Inc. and Sound Exchange on October 7, 2014 represents SCAD Radio's interests and provides a reasonable basis for settling statutory terms and rates. Please take SCAD Radio's interests in consideration of settling the joint motion filed. Thanks in advance for reviewing my request.

Sincerely

Kimberly Herrington
