**PETITION TO PARTICIPATE**

Pursuant to § 893(b)(1) (B) of the Act and § 351.1(b) of the Board’s rules, Harvard Radio Broadcasting Co, Inc. (WHRB), a Massachusetts eleemosynary corporation, petitions the Board for leave to participate in Web IV.

Petitioner corporation is the licensee of radio station WHRB (FM), which is a class A commercial station operated by undergraduates at Harvard College in Cambridge, Massachusetts. In the course of their educational programming they <sup>via</sup>transit and/or stream <sub>^</sub>digitally recorded music, some of which may be licensable either directly by the artists or through SoundEx. Thus the royalty rate set by the Board will affect the station financially

For this reason Harvard Radio has participated in Web I, II, and III and should be allowed to participate in Web IV.

WHEREFORE, the Board should grant the instant petition and allow  
WHRB to participate in the instant proceeding.

Respectfully submitted.
