**Subject:** Webcasting rates for College Broadcasters

To the Board:

I am writing in support of the settlement between CBI and the RIAA re: webcasting royalty payments.

By avoiding the onerous record-keeping and the high fees that would force college broadcasters off the air. These premises are a reasonable basis for setting statutory terms and rates.

Please consider adopting the terms of the agreement negotiated by College Broadcasters, Inc. and SoundExchange; published in the Federal Register on April 1, 2010,, and its underlying principles/foundation, as the rule of law on this matter.

Sincerely,

Dave Black
