WMCO management believes that the terms of the agreement negotiated by College Broadcasters, Inc. and Sound Exchange and published in the Federal Register on April 1, 2010, represents WMCO's interests with respect to the use of copyrighted music on webcasts.

As a member of CBI, Inc., WMCO has supported the efforts of CBI to negotiate a fair agreement that is reasonable in its license fees and recordkeeping requirements. WMCO urges the CRB to adopt the agreement negotiated between CBI and Sound Exchange as a reasonable basis for setting the statutory terms and rates.
