NOTE.

It should be observed, that several counties appear comparatively light. This arises from the preponderance of whites and free blacks in the large towns in those counties, such as ——— Henrico Co. Va., Norfolk Co. do., Shelby Co. Tenn., Davidson Co. do., St. Louis Co. Mo., Orleans Co. La., Charleston Co. S. C. &c.

The figures in each County represent the percentage of slaves viz: Amherst Co. Va. 46 $\frac{1}{2}$ are slaves in every 100 inhabitants; Wayne Co. N. Carolina 38 $\frac{1}{2}$ are slaves in every 100 inhabitants &c.&c.

Census Office, Department of

*After a careful examination of the above very in
I am prepared to state that it not only furnishes the evidences
in its execution, but can be relied on as corresponding with the
turns of the 8th Census.*
