

# DEVELOPMENTAL ACTIVITIES

- Use LOC SkillPort's resources (courses, books, audio books, videos, knowledge portals, webinars, job aids, etc.)  
<https://loc.skillport.com>
- Watch a webcast
- Listen to a podcast
- Read a book
- Seek a mentor
- Undertake new assignments in my current job
- Join a professional association
- Job-shadow and interview others in my work unit
- Get to know the Library better by attending its public tours, exhibits, and programs
- Volunteer for a task force or working group
- Perform a detail or rotation in a different job area
- Present to co-workers what I learned in training
- Ask for on-the-job guidance from a subject expert
- Attend brown bags/seminars/conferences (on-site & off-site)
- Enroll in university or commercial courses
- Take Coursera courses
- Pursue an academic degree or certification program
