TO: FEDLINK Members
FROM: Susan M. Tarr, Executive Director, FLICC
DATE: July 12, 2004
SUBJECT: Training Agreements and Training Account Information

FEDLINK has recently established a training agreement with the Missouri Library Network Corporation (MLNC), the OCLC regional network for Missouri area libraries. FEDLINK also has separate training contracts with seven other regional networks—Amigos (AM), BCR (BC), CAPCON (CN), Nylink (NY), PALINET (PA), SOLINET (ST), and OCLC Western* (OC).

When members wish to attend training at a library network listed below and pay via FEDLINK, they must establish a separate account for that network and transfer monies for the cost of anticipated training classes. As you know, training from the networks is no longer billed against the general FEDLINK FT account. Only FEDLINK training and FLICC events are billed to your FT account.

To have MLNC bill your FEDLINK account, please establish a vendor account using the FEDLINK Vendor ID "MT." **Be sure to establish the account prior to registering with MLNC for any training.**

FEDLINK FT Accounts

Members may also elect to establish or continue funding their FEDLINK FT accounts in FY2004 to cover costs for FLICC events, registration fees for conferences, such as Computers in Libraries (CILs), or for on-site training with FEDLINK staff. Members in the Washington, D.C. area particularly find having an FT account convenient for attending FLICC and FEDLINK events.
