

—FLICC Orientations to Libraries and Information Centers Series—  
**Health Sciences and  
Human Services Library  
University of Maryland Baltimore**

As part of a series of orientations to libraries and information centers, FLICC is offering an opportunity for federal librarians to become acquainted with the Health Sciences and Human Services Library (HS/HSL) at the University of Maryland Baltimore. Founded in 1813, the HS/HSL moved into a state-of-the-art library five years ago. The HS/HSL also serves as the Regional Medical Library for the Southeastern/Atlantic Region of the National Network of Libraries of Medicine, under contract with the National Library of Medicine. The program will include
