

# Digital Content Management: Compliance in the Digital Age

The use of digital content in enterprises, governments and institutions is exploding. But who is managing that content? And what are the rules? Such management involves legal, strategic, policy and practical considerations. This online course is designed to provide clarity in managing digital content today and into the future. The course will cover:

- Identifying and Managing Digital Content
- Exploring Digital Copyright Issues
- Licensing Digital Content
- Monitoring Legal and Illegal Uses of Licensed Digital Content
- Organizing and Planning Digital Content

Twice a week, you will receive e-lessons and a self-marking quiz for a total of 5 weeks and become a subscriber to an exclusive moderated listserv. This online course is part of a series offered by **Copyrightlaws.com** and developed by author, speaker and copyright lawyer, Lesley Ellen Harris.
