2014 Training Institute for Federal Library Technicians “Value Added: Essentials for Growth”

Join your colleagues for the 2014 FEDLINK Technicians Institute. Offered every other year, this year’s five-day training institute will focus on the dynamic skills technician’s need to support the mission and operations of their federal library or information center. Using the [FEDLINK Competencies for Federal Librarians](#) as a curricular benchmark, the institute will feature library science and federal library management topics including:

- Federal Contracting
- Acquisitions
- Preservation and Disaster Preparedness
- Budgeting

Featured speakers are library leaders from a variety of federal agencies including the Department of Justice, Department of Agriculture, the General Services Administration and the Library of Congress.
