**CHAP. 198.**—An act granting the right of way to the county of Anne Arundel in the State of Maryland, through the United States Government grounds near the city of Annapolis, Maryland.

Preamble.

Whereas by an act of the general assembly of Maryland passed at the January session, eighteen hundred and eighty, chapter one hundred and sixty-five, the county commissioners of Anne Arundel County are authorized and required to build a bridge over the Severn River from the present public or county wharf in Annapolis situated at the foot of the street commonly called and known as Wagner street, to Ferry Bar, on the opposite side of the river, or at such point on said river as in the opinion of said commissioners shall be most practical and convenient, and so forth; and

Whereas, further, it is proposed, in accordance with the wishes of the authorities of the Naval Academy at Annapolis, and to facilitate the movements of their vessels, fleets, and so forth, to locate and build the said bridge at a point higher up the said river, and from what is known as Meadow Bar, within the limits of the United States Government grounds at Annapolis, to Brice's Point, on the opposite side of the said river; and

Whereas the proposed change in the location and site of the said bridge necessitates the granting of a right of way by Congress through the government grounds at Annapolis in order to the free and unobstructed use of the said bridge, and to furnish to the public free ingress and egress to and from the said city: Therefore,

Right of way to Anne Arundel County, Maryland, through the United States Government grounds near Annapolis, Md.
