Hon. L. C. Perryman, Principal Chief, M. N.:  

Dear Sir—Your communication relating to the law on page 94, Section 267, law book, edition 1893, which reads: “and a child’s part if there be children,” should either the husband or wife die and survivor also die before the estate is settled, would either the husband or wife who dies last be entitled to the heir’s part?

The Court, after due consideration, is of the opinion that either the husband or wife dying last and before the estate is settled should be entitled to the heir’s part, and it is so declared.

EAST AND WEST RAILROAD.

Be it Resolved, That it is the opinion of the National
Council of the Muskogee Nation, that the construction, by a company duly authorized by Congress, of a branch railroad from a point on the eastern boundary of the Muskogee Nation, running westward to connect with the Missouri, Kansas & Texas railroad at some point between Muskogee and Eufaula, so as to form a continuous road, in conjunction with the main line, to our southern boundary, is in accordance with the stipulations of the Treaty of June 14, 1866, between the Muskogee Nation and the United States, which concedes the "right of way to any Company which shall be duly authorized by Congress, and shall, with the express consent of the Secretary of the Interior, undertake to construct a railroad from * * * * any point on their eastern to their southern or western boundary" as the same completes and exhausts all railroad grants and franchises conceded by existing Treaties between the United States and the Muskogee Nation; provided, however, that nothing herein shall be so construed as to infer any expression of opinion in regard to the question as to what company may be duly authorized by Congress.

Approved November 2, 1881.

SUPREME COURT DECISION.

Okmulgee, Ind. Ter., October 22, 1881.

* * * * It is held by the Court that the Constitution makes the action or decision of this Court a finality. To reopen any case after a decision by this body would defeat the design of the Constitution. * * * *

D. N. McIntosh, Chief Justice.

lated to the party in the suit or not, is admissible before any of the Courts of this Nation. * * * * Circumstantial evidence is to be admitted in any of the Courts of this Nation.
