in which all matters...  
property rights would be completely subject to the whims and views of demagogues temporarily in power. The logical and traditional redress in our governmental system for such violations of the oath of office is impeachment.

You and your cohorts should be impeached for your pro-Communist pro-Criminal decisions of recent years. Because of your decision banning confessions, the admitted murderess of her 4 year old is now free to kill again. Are you proud of your misinterpretations of the Constitution?
