FORTY-FIFTH CONGRESS. Sess. III. Ch. 181. 1879.

The Broad River, South Carolina;
The Catawba River South Carolina;

For a survey and estimate for a breakwater to be constructed from a point at or near the new canal outlet near New Orleans Louisiana, to the Ponchartrain Rail Road Wharf said Breakwater to be so constructed as to serve as a Harbor of Refuge for all vessels.

SEC. 3. That for the examinations and surveys herein provided for, and for incidental repairs of harbors, for which there is no special appropriation, the sum of one hundred and fifty thousand dollars is hereby appropriated, to be paid out of any moneys in the Treasury not otherwise appropriated.

SEC. 4. It shall be lawful for the Arkansas River Transfer Railway Company, a corporation having authority under the laws of the State of Arkansas to build a railway from some suitable point in the city of Little Rock across the Arkansas River to some suitable point in the town of Argenta, all being in the county of Pulaski, in said State, to build a railway transit and wagon bridge across said river, and that when constructed all trains of all railways, terminating at the Arkansas River, at or near the location of said bridge, and all foot passengers, animals, and vehicles, shall be allowed to cross said bridge for a reasonable compensation, to be paid to the owners thereof; and in case of any litigation arising from any obstruction or alleged obstruction to the free navigation of said river, the cause may be tried before the district court of the United States in and for the eastern district of the State of Arkansas.

SEC. 5. That any bridge built under the provisions of this act may, at the option of the company building the same, be built as a draw-bridge, with a pivot, or with unbroken or continuous spans: Provided, That if said bridge shall be made with unbroken or continuous spans, it shall not be in any case of a less elevation than fifty feet above extreme high-water mark, as understood at the point of location, to the bottom chord of the bridge, nor shall the span over the main channel of the river be less than two hundred and fifty feet, nor shall there be a greater number of spans than four crossing the remaining width of said river, and the piers of said bridge shall all be parallel with the current of said river; And provided also, That if any bridge shall be constructed under this act as a draw-bridge, the same shall be a pivot-draw over the main channel, with spans of not less than one hundred and sixty feet in the clear on each side of the center or pivot pier of said bridge, and that there shall not be a greater number of fixed spans than four crossing the remaining width of said river, and said bridge shall not be less than ten feet above high-water mark, as understood at the location of said bridge, measuring to the bottom chord of said bridge, and all the piers of said bridge shall be parallel with the current of said river: And provided also, That said draw shall be opened promptly, upon reasonable signal, for the passage of boats whose construction shall not be such as to admit of their passage under said bridge, except when a railroad train is passing over the same; but in no case shall any unnecessary delay occur in opening the draw after the passage of said train.

SEC. 6. That any bridge constructed under this act and according to its provisions shall be a lawful structure, and shall be recognized and known as a post-route, upon which no higher charge shall be made for the transmission over the same of the mails, the troops, and munitions of war of the United States than the rate paid for their transportation over the railroads or public highways leading to said bridge; and the United States shall have the right of way for postal-telegraph purposes across said bridge.

SEC. 7. That said bridge shall not be built or commenced until the railway company aforesaid shall submit to the Secretary of War, for his approval, a plan with the necessary drawings of their bridge, conforming to the above requirements, nor until he shall approve the plan and location of said bridge, and notify the company of the same in writing. And should any change be made in the plan of the bridge.
during the progress of the work thereon, such change shall be subject likewise to the approval of the Secretary of War; and the said structure shall be at all times so kept and managed as to offer reasonable and proper means for the passage of vessels through or under said structure; and said structure shall be changed, at the cost and expense of the owners thereof, from time to time, as Congress may direct, so as to preserve the free and convenient navigation of said river; and the authority to erect and continue said bridge shall be subject to revocation or modification by law, whenever the public good shall, in the judgment of Congress, so require, without any expense or charge to the United States.

SEC. 8. That the right to alter or amend this act, so as to prevent or remove all material obstructions to the navigation of said river by the construction of said bridge, without expense to the United States, and, also to repeal this act, is hereby expressly reserved.

SEC. 9. That the fourth and succeeding sections of an act entitled "An Act making appropriations for the repair, preservation, and completion of certain public works on rivers and harbors, and for other purposes" approved March third, anno Domini eighteen hundred and seventy-five, authorizing James B. Eads and his associates to create and permanently maintain a wide and deep channel between the South pass of the Mississippi River and the Gulf of Mexico be, and they are hereby, amended so as to provide in lieu of the payments therein provided, that payment to said Eads or his legal representatives shall be made as follows, namely:

The Secretary of War is hereby authorized and directed to draw his warrant upon the Secretary of the Treasury of the United States in favor of said James B. Eads or his legal representatives for the sum of seven hundred and fifty thousand dollars, which said sum is hereby appropriated; and the Secretary of the Treasury is hereby authorized and directed to pay to said Eads or his legal representatives, out of any money in the Treasury not otherwise appropriated, the sum for which said warrant is drawn.

When a channel shall have been obtained by the action of the jetties and auxiliary works authorized by said act twenty-five feet in depth, and not less than two hundred feet in width at the bottom, through the said jetties, there shall be paid five hundred thousand dollars.

When a channel shall have been obtained through the jetties twenty-six feet in depth, and not less than two hundred feet in width at the bottom, there shall be paid five hundred thousand dollars.

When a channel thirty feet in depth, without regard to width, shall have been obtained through the jetties, there shall be paid five hundred thousand dollars; and the one million dollars provided by the hereinbefore-recited act to be paid by the United States in ten and twenty years shall be earned by said Eads and his associates, and the same, with interest shall be paid to said Eads or his legal representatives, at the times and in the manner provided by said act.

The one hundred thousand dollars per annum provided by said recited act to be paid to said Eads and his associates during a period of twenty years shall be paid at the times and in the manner therein provided; upon the maintenance by said Eads and his associates of a channel through the jetties twenty-six feet in depth, not less than two hundred feet in width at the bottom, and having through it a central depth of thirty feet without regard to width.

Nothing herein contained shall be so construed as to repeal or in any wise affect the provisions of the amendatory act approved June nineteenth, anno Domini eighteen hundred and seventy-eight, by which said Eads is entitled to receive certain moneys to pay for materials furnished, labor done, and expenditures incurred in the construction of the work at the mouth of the Mississippi River; and the whole of the hereinbefore-recited act, approved March third, anno Domini eighteen hundred and seventy-five, except as the same is hereby expressly modified or amended; or has by act heretofore passed been modified or amended, etc.
shall be and remain in full force, and have the same effect as if this act had not been passed.

Approved, March 3, 1879.
