Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That it shall be lawful for the Lake Charles Road and Bridge Company, a corporation created and existing under and by virtue of the laws of the State of Louisiana, or its assigns, to erect, construct, and maintain a bridge over the English Bayou and a bridge over Calcasieu River, in the State of Louisiana, at such points upon said bayou and river in township nine south and range eight west as may be found advantageous. Said bridges shall be constructed to provide for the passage of wagons and vehicles of all kinds, for the transit of animals, foot-passengers, and of all kinds of commerce, travel, or communication, and said corporation may charge and receive such reasonable tolls therefor as may be approved from time to time by the Secretary of War.

SEC. 2. That each of said bridges shall be constructed as draw-bridges, with an opening over the center of the channel of such width as the Secretary of War shall determine, and which shall not be less than thirty feet in the clear across English Bayou and not less than fifty feet in the clear across Calcasieu River: *Provided, also,* That said draws shall be opened promptly upon reasonable signal for the passage of boats, vessels, or other water-craft, and in no case shall unnecessary delay occur; and said company or corporation shall maintain, at its own expense, from sunset to sunrise, such lights or other signals on said bridges as the Light-House Board shall prescribe, and such sheer booms or other structures as may be necessary to safely guide vessels, boats, rafts, or other water-craft safely through said draw-openings as shall be designated and required by the Secretary of War.

SEC. 3. That said bridges shall be built and located under and subject to such regulations for the security of navigation of said bayou and river as the Secretary of War shall prescribe, and to secure that object the said company or corporation shall submit to the Secretary of War, for his examination and approval, a design and drawings of the bridges and a map of the location, giving for the space of one mile above and one mile below the proposed location the topography of the banks of the bayou and river, the shore-lines at high and low water, the direction and strength of the current at all stages, and the soundings, accurately showing the bed of the streams, and shall furnish such other information as may be required for a full and satisfactory understanding of the subject; and until the said plans and locations are approved by the Secretary of War the bridges shall not be built, and should any changes be made in the plans of said bridges during the progress of construction such change shall be submitted to the approval of the Secretary of War.

SEC. 4. That the right to alter, amend, or repeal this act, or to require any changes in such structures, or their entire removal at the expense of the owners thereof, whenever the Secretary of War shall decide that the public interest requires it, and the right to

prescribe such rules and regulations in regard to toll and otherwise as may be deemed reasonable, are expressly reserved. Regulations, etc.

SEC. 5. That this act shall be null and void if actual construction of the bridges herein authorized be not commenced within one year and completed within three years from the date thereof. Commencement and completion.

Approved, December 11, 1890.

CHAP. 4.—An act for the relief of General George Stoneman.

December 15, 1890.
