**CHAP. 210.**—An Act Making appropriations for the current and contingent expenses of the Bureau of Indian Affairs, for fulfilling treaty stipulations with various Indian tribes, and for other purposes, for the fiscal year ending June thirtieth, nineteen hundred and twelve.

Indian Department  
appropriations.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That the following sums be, and they are hereby, appropriated out of any money in the Treasury not otherwise appropriated for the purpose of paying the current and

contingent expenses of the Bureau of Indian Affairs, for fulfilling treaty stipulations with various Indian tribes, and in full compensation for all offices the salaries for which are provided for herein for the service of the fiscal year ending June thirtieth, nineteen hundred and twelve, namely:

For the survey, resurvey, and classification of lands to be allotted in severalty under the provisions of the Act of February eighth, eighteen hundred and eighty-seven, entitled "An Act to provide for the allotment of lands in severalty to Indians," and under any other Act or Acts providing for the survey and allotment of lands in severalty to Indians, including the necessary clerical work incident thereto and to the issuance of all patents in the field and in the office of Indian Affairs, and to the delivery of trust patents for allotments under said Act or any such Act or Acts; and for the survey and subdivision of Indian reservations and lands to be allotted to Indians under authority of law, two hundred and fifteen thousand dollars, to be repaid proportionately out of any Indian moneys held in trust or otherwise by the United States and available by law for such reimbursable purpose and to remain available until expended.

For the construction, repair, and maintenance of ditches, reservoirs, and dams, purchase and use of irrigation tools and appliances, water rights, ditches, lands necessary for canals, pipe lines and reservoirs for Indian reservations and allotments, and for drainage and protection of irrigable lands from damage by floods, three hundred and fourteen thousand three hundred dollars, to remain available until expended: *Provided*, That no part of this appropriation shall be expended on any irrigation system or reclamation project for which specific appropriation is made in this Act or for which public funds are or may be available under any other Act of Congress: *Provided further*, That nothing herein contained shall be construed to prohibit reasonable expenditures from this appropriation for preliminary surveys and investigations to determine the feasibility and estimated cost of new projects, for investigations and surveys for power and reservoir sites on Indian reservations in accordance with the provisions of section thirteen of the Act of June twenty-fifth, nineteen hundred and ten, or to prevent the Bureau of Indian Affairs from having the benefit of consultation with engineers in other branches of the public service or carrying out existing agreements with the Reclamation Service; for pay of one chief inspector of irrigation, who shall be a skilled irrigation engineer, four thousand dollars; one assistant inspector of irrigation, who shall be a skilled irrigation engineer, two thousand five hundred dollars; for traveling expenses of two inspectors of irrigation, at three dollars per diem when actually employed on duty in the field, exclusive of transportation and sleeping-car fare, in lieu of all other expenses authorized by law, and for incidental expenses of negotiation, inspection, and investigation, including telegraphing and expense of going to and from the seat of government and while remaining there under orders, four thousand two hundred dollars; in all, three hundred and twenty-five thousand dollars: *Provided also*, That not to exceed seven superintendents of irrigation, who shall be skilled irrigation engineers, may be employed.

For the suppression of the traffic in intoxicating liquors among Indians, seventy-five thousand dollars.

To relieve distress among Indians and to provide for their care and for the prevention and treatment of tuberculosis, trachoma, smallpox, and other contagious and infectious diseases, including the purchase of vaccine and expense of vaccination, sixty thousand dollars.

For support of Indian day and industrial schools, not otherwise provided for, and for other educational and industrial purposes in connection therewith, one million four hundred and twenty thousand dollars.

For construction, lease, purchase, repairs, and improvements of school and agency buildings, and for sewerage, water supply, and lighting plants, and for purchase of school sites, four hundred and twenty-five thousand dollars: *Provided*, That the Secretary of the Interior shall report annually to Congress the amount expended at each school and agency for the purposes herein authorized: *Provided further*, That on the first Monday in December, nineteen hundred and eleven, the Secretary of the Interior shall transmit to Congress a report in respect to all school and agency properties entitled to share in appropriations, general or specific, made in this Act and such report shall show specifically the cost investment in such properties as of July first, nineteen hundred and eleven, including appropriations made available by this Act, (1) for the purchase, construction, or lease of buildings including water supply, sewerage, and heating and lighting plants; the purchase or lease of lands; the purchase or construction of irrigation systems for the irrigation of such school or agency lands; and for the equipment of all such plants for the promotion of industrial education, including agricultural implements, live stock, and the equipment for shops, laundries, and domestic science; (2) the physical condition of such plants and their equipment; (3) an estimate of expenditures necessary for (a) new buildings, (b) improvements, equipment and repairs necessary for the upkeep of such plants; and (4) a statement of the quantity and market value of the products derived from the operation of such plants for the fiscal year nineteen hundred and eleven and the disposition of the same. The Secretary of the Interior shall accompany such report with a recommendation supported by a statement of his reasons therefor as to the necessity or advisability of continuing or discontinuing each such school or agency plant.

For collection and transportation of pupils to and from Indian schools, and for the transportation of Indian pupils from any and all Indian schools and placing them, with the consent of their parents, under the care and control of white families qualified to give such pupils moral, industrial, and educational training, eighty-two thousand dollars: *Provided*, That not to exceed five thousand dollars of this amount may be used in the transportation and placing of Indian pupils in positions where remunerative employment may be found for them in industrial pursuits. The provisions of this section shall also apply to native pupils of school age under twenty-one years of age brought from Alaska.

All moneys appropriated herein for school purposes among the Indians may be expended, without restriction as to per capita expenditure, for the annual support and education of any one pupil in any school.

To conduct experiments on Indian school or agency farms designed to test the possibilities of soil and climate in the cultivation of trees, grains, vegetables, and fruits, for the purposes of preserving living and growing timber on Indian reservations and allotments, and to advise the Indians as to the proper care of forests: *Provided*, That this shall not, as to timber, apply to the Menominee Indian Reservation in Wisconsin or the Red Lake Indian Reservation in Minnesota; for the employment of suitable persons as matrons to teach Indian women housekeeping and other household duties, and for furnishing necessary equipments and renting quarters for them where necessary; for the employment of practical farmers and stockmen, in addition to the agency and school farmers now employed; and to superintend and direct farming and stock raising among Indians, four hundred thousand dollars: *Provided further*, That not to exceed five thousand dollars of the amount herein appropriated shall be used to conduct experiments on Indian school or agency farms to test the possibilities of soil and climate in the cultivation of trees, grains, vegetables, and

fruits: *Provided, also*, That the amounts paid to matrons, farmers, and stockmen herein provided for shall not be included within the limitation on salaries and compensation of employees contained in the Act of June seventh, eighteen hundred and ninety-seven: *Provided still further*, That hereafter the Secretary of the Interior shall transmit to Congress annually on the first Monday in December a cost account for the preceding fiscal year relating to the use of appropriations made for the purposes herein provided for.

Menominee Reservation, Wis.  
Dead and down timber to be cut and manufactured.

SEC. 26. That upon the passage of this Act the Secretary of the Interior be, and he hereby is, authorized and directed to cause to be cut and manufactured into lumber the dead and down timber now upon the Menominee Indian Reservation in the State of Wisconsin together with such green timber as may be necessary to cut in order to economically log the dead and down timber, such green timber to be designated and marked by the Forestry Service. For the cutting of such dead and down timber the Secretary of the Interior shall prescribe rules and regulations in conformity with the intent and purpose of the Act of March twenty-eighth, nineteen hundred and eight, entitled "An Act to authorize the cutting of timber, the manufacture and sale of lumber, and the preservation of the forests upon the Menominee Indian Reservation in the State of Wisconsin." The amount of dead and down timber authorized to be cut under this section shall be in addition to the amount of green timber authorized to be cut, in any one year, under the provisions of said Act of March twenty-eighth, nineteen hundred and eight. The green timber authorized to be cut under this section to facilitate the logging of dead and down timber, and which shall be cut in any one year, shall be deducted from the amount of green timber authorized to be cut in that year under the provisions of said Act of March twenty-eighth,

nineteen hundred and eight. The total amount of green and dead and down timber which shall be logged under the provisions of this section and the provisions of said Act of March twenty-eighth, nineteen hundred and eight, shall not exceed forty million feet unless the Forestry Service shall certify to the Secretary of the Interior that it is necessary, to save waste and loss on dead and down timber, that a greater amount of such dead and down timber shall be cut; in making such certification the Forestry Service shall designate the additional dead and down timber it deems necessary to cut and such designated timber shall be logged as expeditiously as possible. In the logging operations authorized under this section the Secretary of the Interior may cause to be constructed such roads or logging railway as may be necessary to bring the logs to the mill with expedition and economy. The expense of the logging operations authorized under this section shall be paid in the manner provided in said Act of March twenty-eighth, nineteen hundred and eight, authorizing the cutting of timber and the manufacture of lumber upon the Menominee Indian Reservation in the State of Wisconsin.

The Commissioner of Indian Affairs is hereby directed to reopen negotiations with the Oneida Indians of Wisconsin for the commutation of their perpetual annuities under treaty stipulations and report the same to Congress on the first Monday in December, nineteen hundred and eleven.

SEC. 27. Annually, on the first Monday in December, the Secretary of the Interior shall transmit to the Speaker of the House of Representatives a statement of the fiscal affairs of all Indian tribes for whose benefit expenditures from either public or tribal funds shall have been made by any officer, clerk, or employee in the Interior Department during the preceding fiscal year; and such statement shall show (1) the total amount of all moneys, from whatever source derived, standing to the credit of each tribe of Indians, in trust or otherwise, at the close of such fiscal year; (2) an analysis of such credits, by funds, showing how and when they were created, whether by treaty stipulation, agreement, or otherwise; (3) the total amount of disbursements from public or trust funds made on account of each tribe of Indians for such fiscal year; and (4) an analysis of such disbursements showing the amounts disbursed (a) for per capita payments in money to Indians, (b) for salaries or compensation of officers and employees, (c) for compensation of counsel and attorney's fees, and (d) for support and civilization.

SEC. 28. Hereafter payments to Indians made from moneys appropriated by Congress in satisfaction of the judgment of any court shall be made under the direction of the officers of the Interior Department charged by law with the supervision of Indian affairs, and all such payments shall be accounted for to the Treasury in conformity with law.
