##### Rate-Making Elements

(b) In fixing and determining fair and reasonable rates of compensation under this section, the Authority, considering the conditions peculiar to transportation by aircraft and to the particular air carrier or class of air carriers, may fix different rates for different air carriers or classes of air carriers, and different classes of service. In determining the rate in each case, the Authority shall take into consideration, among other factors, the condition that such air carriers may hold and operate under certificates authorizing the carriage of mail only by providing necessary and adequate facilities and service for the transportation<sup>1</sup> of mail; such standards respecting the character and quality of service to be rendered by air carriers as may be prescribed by or pursuant to law; and the need of each such air carrier for compensation for the transportation of mail sufficient to insure the performance of such service, and, together with all other revenue of the air carrier, to enable such air carrier under honest, economical, and efficient management, to maintain and continue the development of air transportation to the extent and of the character and quality required for the commerce of the United States, the Postal Service, and the national defense.

(2) Any interested person may file with the Authority an application for a type certificate for an aircraft, aircraft engine, propeller, or appliance specified in regulations under paragraph (1) of this subsection. Upon receipt of an application, the Authority shall make an investigation thereof and may hold hearings thereon. The Authority shall make, or require the applicant to make, such tests during manufacture and upon completion as the Authority deems reasonably necessary in the interest of safety, including flight tests and tests of raw materials or any part or appurtenance of such aircraft, aircraft engine, propeller, or appliance. If the Authority finds that such aircraft, aircraft engine, propeller, or appliance is of proper design, material, specification, construction, and performance for safe operation, and meets the minimum standards, rules, and regulations prescribed by the Authority, it shall issue a type certificate therefor. The Authority may prescribe in any such certificate the duration thereof and such other terms, conditions, and limitations as are required in the interest of safety. The Authority may record upon any certificate issued for aircraft, aircraft engines, or propellers, a numerical determination of all of the essential factors relative to the performance of the aircraft, aircraft engine, or propeller for which the certificate is issued.

The Authority shall make such inspection and may require such tests of any aircraft, aircraft engine, propeller, or appliance manufactured under a production certificate as may be necessary to assure manufacture of each unit in conformity with the type certificate or any amendment or modification thereof. The Authority may prescribe in any such production certificate the duration thereof and such other terms, conditions, and limitations as are required in the interest of safety.

In any case where the number of libel for condemnation proceedings is limited as above provided the proceeding pending or instituted shall, on application of the claimant, seasonably made, be removed for trial to any district agreed upon by stipulation between the parties, or, in case of failure to so stipulate within a reasonable time, the claimant may apply to the court of the district in which the seizure has been made, and such court (after giving the United States attorney for such district reasonable notice and opportunity to be heard) shall by order, unless good cause to the contrary is shown, specify a district of reasonable proximity to the claimant's principal place of business, to which the case shall be removed for trial.

(d) Any food, drug, device, or cosmetic condemned under this section shall, after entry of the decree, be disposed of by destruction or sale as the court may, in accordance with the provisions of this section, direct and the proceeds thereof, if sold, less the legal costs and charges, shall be paid into the Treasury of the United States; but such article shall not be sold under such decree contrary to the provisions of this Act or the laws of the jurisdiction in which sold: *Provided*, That after entry of the decree and upon the payment of the costs of such proceedings and the execution of a good and sufficient bond conditioned that such article shall not be sold or disposed of contrary to the provisions of this Act or the laws of any State or Territory in which sold, the court may by order direct that such article be delivered to the owner thereof to be destroyed or brought into compliance with the provisions of this Act under the supervision of an officer or employee duly designated by the Secretary, and the expenses of such supervision shall be paid by the person obtaining release of the article under bond. Any article condemned by reason of its being an article which may not, under section 404 or 505, be introduced into interstate commerce, shall be disposed of by destruction.

(e) When a decree of condemnation is entered against the article, court costs and fees, and storage and other proper expenses, shall be awarded against the person, if any, intervening as claimant of the article.

(f) In the case of removal for trial of any case as provided by subsection (a) or (b)—

(1) The clerk of the court from which removal is made shall promptly transmit to the court in which the case is to be tried all records in the case necessary in order that such court may exercise jurisdiction.

(2) The court to which such case was removed shall have the powers and be subject to the duties, for purposes of such case, which the court from which removal was made would have had, or to which such court would have been subject, if such case had not been removed.

EMERGENCY PERMIT CONTROL

SEC. 404. (a) Whenever the Secretary finds after investigation that the distribution in interstate commerce of any class of food may, by reason of contamination with micro-organisms during the manufacture, processing, or packing thereof in any locality, be injurious to health, and that such injurious nature cannot be adequately determined after such articles have entered interstate commerce, he then, and in such case only, shall promulgate regulations providing for the issuance, to manufacturers, processors, or packers of such class of food in such locality, of permits to which shall be attached such conditions governing the manufacture, processing, or packing of such class of food, for such temporary period of time, as may be necessary to protect the public health; and after the effective date of such regulations, and during such temporary period, no person shall introduce or deliver for introduction into interstate commerce any such food manufactured, processed, or packed by any such manufacturer, processor, or packer unless such manufacturer, processor, or packer holds a permit issued by the Secretary as provided by such regulations.

(b) The Secretary is authorized to suspend immediately upon notice any permit issued under authority of this section if it is found that any of the conditions of the permit have been violated. The holder of a permit so suspended shall be privileged at any time to apply for the reinstatement of such permit, and the Secretary shall, immediately after prompt hearing and an inspection of the establishment, reinstate such permit if it is found that adequate measures have been taken to comply with and maintain the conditions of the permit, as originally issued or as amended.

(c) Any officer or employee duly designated by the Secretary shall have access to any factory or establishment, the operator of which holds a permit from the Secretary, for the purpose of ascertaining whether or not the conditions of the permit are being complied with, and denial of access for such inspection shall be ground for suspension of the permit until such access is freely given by the operator.

While such a regulation is in effect limiting the quantity of any such substance in the case of any food, such food shall not, by reason of bearing or containing any added amount of such substance, be considered to be adulterated within the meaning of clause (1) of section 402 (a). In determining the quantity of such added substance to be tolerated in or on different articles of food the Secretary shall take into account the extent to which the use of such substance is required or cannot be avoided in the production of each such article, and the other ways in which the consumer may be affected by the same or other poisonous or deleterious substances.

Filing of application; requirements.

(b) Any person may file with the Secretary an application with respect to any drug subject to the provisions of subsection (a). Such person shall submit to the Secretary as a part of the application (1) full reports of investigations which have been made to show whether or not such drug is safe for use; (2) a full list of the articles used as components of such drug; (3) a full statement of the composition of such drug; (4) a full description of the methods used in, and the facilities and controls used for, the manufacture, processing, and packing of such drug; (5) such samples of such drug and of the articles used as components thereof as the Secretary may require; and (6) specimens of the labeling proposed to be used for such drug.

Effective date of application.

(c) An application provided for in subsection (b) shall become effective on the sixtieth day after the filing thereof unless prior to such day the Secretary by notice to the applicant in writing postpones the effective date of the application to such time (not more than one hundred and eighty days after the filing thereof) as the Secretary deems necessary to enable him to study and investigate the application.

Tests, etc.

(d) If the Secretary finds, after due notice to the applicant and giving him an opportunity for a hearing, that (1) the investigations, reports of which are required to be submitted to the Secretary pursuant to subsection (b), do not include adequate tests by all methods reasonably applicable to show whether or not such drug is safe for use under the conditions prescribed, recommended, or suggested in the proposed labeling thereof; (2) the results of such tests show that such drug is unsafe for use under such conditions or do not show that such drug is safe for use under such conditions; (3) the methods used in, and the facilities and controls used for, the manufacture, processing, and packing of such drug are inadequate to preserve its identity, strength, quality, and purity; or (4) upon the basis of the information submitted to him as part of the application, or upon the basis of any other information before him with respect to such drug, he has insufficient information to determine whether such drug is safe for use under such conditions, he shall, prior to the effective date of the application, issue an order refusing to permit the application to become effective.

Order refusing to permit application to become effective.

(e) The effectiveness of an application with respect to any drug shall, after due notice and opportunity for hearing to the applicant, by order of the Secretary be suspended if the Secretary finds (1) that clinical experience, tests by new methods, or tests by methods not deemed reasonably applicable when such application became effective show that such drug is unsafe for use under the conditions of use upon the basis of which the application became effective, or (2) that the application contains any untrue statement of a material fact. The order shall state the findings upon which it is based.

Suspension of application.

(f) An order refusing to permit an application with respect to any drug to become effective shall be revoked whenever the Secretary finds that the facts so require.

Upon the filing of such transcript such court shall have exclusive jurisdiction to affirm or set aside such order. No objection to the order of the Secretary shall be considered by the court unless such objection shall have been urged before the Secretary or unless there were reasonable grounds for failure so to do. The finding of the Secretary as to the facts, if supported by substantial evidence, shall be conclusive. If any person shall apply to the court for leave to adduce additional evidence, and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for failure to adduce such evidence in the proceeding before the Secretary, the court may order such additional evidence to be taken before the Secretary and to be adduced upon the hearing in such manner and upon such terms and conditions as to the court may seem proper. The Secretary may modify his findings as to the facts by reason of the additional evidence so taken, and he shall file with the court such modified findings which, if supported by substantial evidence, shall be conclusive, and his recommendation, if any, for the setting aside of the original order. The judgment and decree of the court affirming or setting aside any such order of the Secretary shall be final, subject to review as provided in sections 128, 239, and 240 of the Judicial Code, as amended (U. ## [CHAPTER 676]

## AN ACT

June 25, 1938

[S. 2475]

[Public, No. 718]

Fair Labor Standards Act of 1938.

To provide for the establishment of fair labor standards in employments in and affecting interstate commerce, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That this Act may be cited as the "Fair Labor Standards Act of 1938".

## FINDING AND DECLARATION OF POLICY

Finding and declaration of policy.

SEC. 2. (a) The Congress hereby finds that the existence, in industries engaged in commerce or in the production of goods for commerce, of labor conditions detrimental to the maintenance of the minimum standard of living necessary for health, efficiency, and general well-being of workers (1) causes commerce and the channels and instrumentalities of commerce to be used to spread and perpetuate such labor conditions among the workers of the several States; (2) burdens commerce and the free flow of goods in commerce; (3) constitutes an unfair method of competition in commerce; (4) leads to labor disputes burdening and obstructing commerce and the free flow of goods in commerce; and (5) interferes with the orderly and fair marketing of goods in commerce.

(b) It is hereby declared to be the policy of this Act, through the exercise by Congress of its power to regulate commerce among the several States, to correct and as rapidly as practicable to eliminate the conditions above referred to in such industries without substantially curtailing employment or earning power.

(b) No employer shall be deemed to have violated subsection (a) by employing any employee for a workweek in excess of that specified in such subsection without paying the compensation for overtime employment prescribed therein if such employee is so employed—

(1) in pursuance of an agreement, made as a result of collective bargaining by representatives of employees certified as bona fide by the National Labor Relations Board, which provides that no employee shall be employed more than one thousand hours during any period of twenty-six consecutive weeks,

#### WAGE ORDERS

Minimum rate of wage.

SEC. 8. (a) With a view to carrying out the policy of this Act by reaching, as rapidly as is economically feasible without substantially curtailing employment, the objective of a universal minimum wage of 40 cents an hour in each industry engaged in commerce or in the production of goods for commerce, the Administrator shall from time to time convene the industry committee for each such industry, and the industry committee shall from time to time recommend the minimum rate or rates of wages to be paid under section 6 by employers engaged in commerce or in the production of goods for commerce in such industry or classifications therein.

Ante, p. 1062.

Reference of question to industry committee.

(b) Upon the convening of an industry committee, the Administrator shall refer to it the question of the minimum wage rate or rates to be fixed for such industry. The industry committee shall investigate conditions in the industry and the committee, or any authorized subcommittee thereof, may hear such witnesses and receive such evidence as may be necessary or appropriate to enable the committee to perform its duties and functions under this Act. The committee shall recommend to the Administrator the highest minimum wage rates for the industry which it determines, having due regard to economic and competitive conditions, will not substantially curtail employment in the industry.

Recommendations.

Classifications within any industry.

(c) The industry committee for any industry shall recommend such reasonable classifications within any industry as it determines to be necessary for the purpose of fixing for each classification within such industry the highest minimum wage rate (not in excess of 40 cents an hour) which (1) will not substantially curtail employment in such classification and (2) will not give a competitive advantage to any group in the industry, and shall recommend for each classification in the industry the highest minimum wage rate which the committee determines will not substantially curtail employment in such classification. In determining whether such classifications should be made in any industry, in making such classifications, and in determining the minimum wage rates for such classifications, no classification shall be made, and no minimum wage rate shall be fixed, solely on a regional basis, but the industry committee and the Administrator shall consider among other relevant factors the following:

(1) competitive conditions as affected by transportation, living, and production costs;

(2) the wages established for work of like or comparable character by collective labor agreements negotiated between employers and employees by representatives of their own choosing; and

(3) the wages paid for work of like or comparable character by employers who voluntarily maintain minimum-wage standards in the industry.

No classification shall be made under this section on the basis of age or sex.

(d) The industry committee shall file with the Administrator a report containing its recommendations with respect to the matters referred to it. Upon the filing of such report, the Administrator, after due notice to interested persons, and giving them an opportunity to be heard, shall by order approve and carry into effect the recommendations contained in such report, if he finds that the recommendations are made in accordance with law, are supported by the evidence

adduced at the hearing, and, taking into consideration the same factors as are required to be considered by the industry committee, will carry out the purposes of this section; otherwise he shall disapprove such recommendations. If the Administrator disapproves such recommendations, he shall again refer the matter to such committee, or to another industry committee for such industry (which he may appoint for such purpose), for further consideration and recommendations.

Disapproval by Administrator.

(e) No order issued under this section with respect to any industry prior to the expiration of seven years from the effective date of section 6 shall remain in effect after such expiration, and no order shall be issued under this section with respect to any industry on or after such expiration, unless the industry committee by a preponderance of the evidence before it recommends, and the Administrator by a preponderance of the evidence adduced at the hearing finds, that the continued effectiveness or the issuance of the order, as the case may be, is necessary in order to prevent substantial curtailment of employment in the industry.

Duration of orders.

*Ante*, p. 1062.

(f) Orders issued under this section shall define the industries and classifications therein to which they are to apply, and shall contain such terms and conditions as the Administrator finds necessary to carry out the purposes of such orders, to prevent the circumvention or evasion thereof, and to safeguard the minimum wage rates established therein. No such order shall take effect until after due notice is given of the issuance thereof by publication in the Federal Register and by such other means as the Administrator deems reasonably calculated to give to interested persons general notice of such issuance.

Orders to define industries and classifications to which applicable; terms, etc.

Publication in Federal Register, etc.

(g) Due notice of any hearing provided for in this section shall be given by publication in the Federal Register and by such other means as the Administrator deems reasonably calculated to give general notice to interested persons.

SEC. 10. (a) Any person aggrieved by an order of the Administrator issued under section 8 may obtain a review of such order in the circuit court of appeals of the United States for any circuit wherein such person resides or has his principal place of business, or in the United States Court of Appeals for the District of Columbia, by filing in such court, within sixty days after the entry of such order, a written petition praying that the order of the Administrator be modified or set aside in whole or in part. A copy of such petition shall forthwith be served upon the Administrator, and thereupon the Administrator shall certify and file in the court a transcript of the record upon which the order complained of was entered. Upon the filing of such transcript such court shall have exclusive jurisdiction to affirm, modify, or set aside such order in whole or in part, so far as it is applicable to the petitioner. of the Administrator shall be considered by the court unless such objection shall have been urged before the Administrator or unless there were reasonable grounds for failure so to do. If application is made to the court for leave to adduce additional evidence, and it is shown to the satisfaction of the court that such additional evidence may materially affect the result of the proceeding and that there were reasonable grounds for failure to adduce such evidence in the proceeding before the Administrator, the court may order such additional evidence to be taken before the Administrator and to be adduced upon the hearing in such manner and upon such terms and conditions as to the court may seem proper. The Administrator may modify his findings by reason of the additional evidence so taken, and shall file with the court such modified or new findings which if supported by substantial evidence shall be conclusive, and shall also file his recommendation, if any, for the modification or setting aside of the original order. The judgment and decree of the court shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in sections 239 and 240 of the Judicial Code, as amended (U. The court shall not grant any stay of the order unless the person complaining of such order shall file in court an undertaking with a surety or sureties satisfactory to the court for the payment to the employees affected by the order, in the event such order is affirmed, of the amount by which the compensation such employees are entitled to receive under the order exceeds the compensation they actually receive while such stay is in effect.

The duties and powers of the Commission with respect to any national securities association or any affiliated securities association shall in no way be limited by reason of any such affiliation.

Requirements of applicant association.

“(d) An applicant association shall not be registered as an affiliated securities association unless it appears to the Commission that—

“(1) such association, notwithstanding that it does not satisfy the requirements set forth in paragraph (1) of subsection (b), will, forthwith upon the registration thereof, be admitted to affiliation with an association registered as a national securities association pursuant to said subsection (b), in the manner and under the terms and conditions provided by the rules of said national securities association in accordance with subsection (c); and

“(2) such association and its rules satisfy the requirements set forth in paragraphs (2) to (9), inclusive, of subsection (b); except that in the case of any such association any restrictions upon membership therein of the type authorized by paragraph (3) of subsection (b) shall not be less stringent than in the case of the national securities association with which such association is to be affiliated.

If any association granted registration as an affiliated securities association pursuant to subsection (d) shall fail to be admitted promptly thereafter to affiliation with a registered national securities association, the Commission shall revoke the registration of such affiliated securities association.

“(f) A registered securities association (whether national or affiliated) may, upon such reasonable notice as the Commission may deem necessary in the public interest or for the protection of investors, withdraw from registration by filing with the Commission a

written notice of withdrawal in such form as the Commission may by rules and regulations prescribe. Upon the withdrawal of a national securities association from registration, the registration of any association affiliated therewith shall automatically terminate.

“(g) If any registered securities association (whether national or affiliated) shall take any disciplinary action against any member thereof, or shall deny admission to any broker or dealer seeking membership therein, such action shall be subject to review by the Commission, on its own motion, or upon application by any person aggrieved thereby filed within sixty days after such action has been taken or within such longer period as the Commission may determine. Application to the Commission for review, or the institution of review by the Commission on its own motion, shall operate as a stay of such action until an order is issued upon such review pursuant to subsection (h).

The Commission shall likewise determine whether the acts or practices prohibited, or the omission of any act required, by any such rule constitute conduct inconsistent with just and equitable principles of trade, and shall so declare. If it appears to the Commission that the evidence does not warrant the finding required in clause (A), or if the Commission shall determine that such acts or practices as are found to have been engaged in are not prohibited by the designated rule or rules of the association, or that such act as is found to have been omitted is not required by such designated rule or rules, the Commission shall by order set aside the action of the association.

“(2) If, after appropriate notice and opportunity for hearing, the Commission finds that any penalty imposed upon a member is excessive or oppressive, having due regard to the public interest, the Commission shall by order cancel, reduce, or require the remission of such penalty.

“(3) In any proceeding to review the denial of membership in a registered securities association, if the Commission, after appropriate notice and hearing, and upon consideration of the record before the association and such other evidence as it may deem relevant, shall determine that the specific grounds on which such denial is based exist in fact and are valid under this section, the Commission shall by order dismiss the proceeding; otherwise, the Commission shall by order set aside the action of the association and require it to admit the applicant broker or dealer to membership therein.

“(i) (1) The rules of a registered securities association may provide that no member thereof shall deal with any nonmember broker or dealer (as defined in paragraph (2) of this subsection) except at the same prices, for the same commissions or fees, and on the same terms and conditions as are by such member accorded to the general public.

"(3) Nothing in this subsection shall be so construed or applied as to prevent any member of a registered securities association from granting to any other member of any registered securities association any dealer's discount, allowance, commission, or special terms.

Changes in or additions to association's rules to be filed with Commission.

"(j) Every registered securities association shall file with the Commission in accordance with such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors, copies of any changes in or additions to the rules of the association, and such other information and documents as the Commission may require to keep current or to supplement the registration statement and documents filed pursuant to subsection (a). Any change in or addition to the rules of a registered securities association shall take effect upon the thirtieth day after the filing of a copy thereof with the Commission, or upon such earlier date as the Commission may determine, unless the Commission shall enter an order disapproving such change or addition; and the Commission shall enter such an order unless such change or addition appears to the Commission to be consistent with the requirements of subsection (b) and subsection (d).

SEC. 15. Section 499 of the Tariff Act of 1930 (U. S. C., 1934 edition, title 19, sec. 1499) is hereby amended by striking out from the first sentence thereof the words "except as otherwise provided in this Act" and inserting in lieu thereof the words "except under such bond or other security as may be prescribed by the Secretary of the Treasury to assure compliance with all applicable laws, regulations, and instructions which the Secretary of the Treasury or the Customs Service is authorized to enforce".

SEC. 16. (a) Section 499 of the Tariff Act of 1930 (U. S. C., 1934 edition, title 19, sec. 1499) is hereby further amended by inserting after the word "regulation" in the third sentence thereof the following: "or instruction, the application of which may be restricted to one or more individual ports or to one or more importations or one or more classes of merchandise,"; by adding after the third sentence thereof the following new sentence: "All such special regulations or instructions shall be published in the weekly Treasury Decisions within fifteen days after issuance and before the liquidation of any entries affected thereby.,"; and by adding at the end of such section the following new paragraph:

"No appraisement made after the effective date of the Customs Administrative Act of 1938 shall be held invalid on the ground that the required number of packages or the required quantity of the merchandise was not designated for examination or, if designated, was not actually examined, unless the party claiming such invalidity shall establish that merchandise in the packages or quantities not designated for examination, or not actually examined, was different from that actually examined and that the difference was such as to establish the incorrectness of the appraiser's return of value; and then only as to the merchandise for which the value returned by the appraiser is shown to be incorrect."

(b) Section 501 of the Tariff Act of 1930 (U. S. C., 1934 edition, title 19, sec. 1501) is hereby amended by striking out the fourth sentence of the first paragraph thereof and inserting in lieu thereof the following: "Every such appeal shall be transmitted with the entry and the accompanying papers by the collector to the United States Customs Court and shall be assigned to one of the judges, who shall in every case, notwithstanding that the original appraisement may for any reason be held invalid or void and that the merchandise or samples thereof be not available for examination, after affording the parties an opportunity to be heard on the merits, determine the value of the merchandise from the evidence in the entry record and that adduced at the hearing.,"; and such section 501 is further amended by designating the present two paragraphs thereof as subsections (a) and (b), respectively, and by adding after such subsections a new subsection (c) to read as follows:

"(c) If upon the hearing of a protest, the United States Customs Court shall declare an appraisement of merchandise made after the effective date of the Customs Administrative Act of 1938 to have been invalid or void, it shall remand the matter to a single judge, who shall proceed to determine the proper dutiable value of such merchandise in the manner provided for by this section. In such proceeding no presumption of correctness shall attach to the invoice or entered values."

SEC. 17. (a) Subsection (b) of section 516 of the Tariff Act of 1930 (U. S. C., 1934 edition, title 19, sec. 1516 (b)) is hereby amended to read as follows:

"(b) CLASSIFICATION.—The Secretary of the Treasury shall, upon written request by an American manufacturer, producer, or wholesaler, furnish the classification of, and the rate of duty, if any,

imposed upon, designated imported merchandise of a class or kind manufactured, produced, or sold at wholesale by him. If such manufacturer, producer, or wholesaler believes that the proper rate of duty is not being assessed, he may file a complaint with the Secretary, setting forth a description of the merchandise, the classification, and the rate or rates of duty he believes proper, and the reasons for his belief. If the Secretary decides that the classification of, or rate of duty assessed upon, the merchandise is not correct, he shall notify the collectors as to the proper classification and rate of duty and shall so inform the complainant, and such rate of duty shall be assessed upon all such merchandise entered for consumption or withdrawn from warehouse for consumption after thirty days after the date such notice to the collectors is published in the weekly Treasury Decisions. If the Secretary decides that the classification and rate of duty are correct, he shall so inform the complainant. If dissatisfied with the decision of the Secretary, the complainant may file with the Secretary, not later than thirty days after the date of such decision, notice that he desires to protest the classification of, or rate of duty assessed upon, the merchandise. Upon receipt of such notice from the complainant, the Secretary shall cause publication to be made of his decision as to the proper classification and rate of duty and of the complainant's desire to protest, and shall thereafter furnish the complainant with such information as to the entries and consignees of such merchandise, entered after the publication of the decision of the Secretary at the port of entry designated by the complainant in his notice of desire to protest, as will enable the complainant to protest the classification of, or rate of duty imposed upon, such merchandise in the liquidation of such an entry at such port. The Secretary shall direct the collector at such port to notify such complainant immediately when the first of such entries is liquidated. Within thirty days after the date of mailing to the complainant of notice of such liquidation, the complainant may file with the collector at such port a protest in writing setting forth a description of the merchandise and the classification and rate of duty he believes proper. Notwithstanding such protest is filed, merchandise of the character covered by the published decision of the Secretary, when entered for consumption or withdrawn from warehouse for consumption on or before the date of publication of a decision of the United States Customs Court or of the United States Court of Customs and Patent Appeals, rendered under the provisions of subsection (c) of this section, not in harmony with the published decision of the Secretary, shall be classified and the entries liquidated in accordance with such decision of the Secretary, and, except as otherwise provided in this Act, the liquidations of such entries shall be final and conclusive upon all parties. If the protest of the complainant is sustained in whole or in part by a decision of the United States Customs Court or of the United States Court of Customs and Patent Appeals, merchandise of the character covered by the published decision of the Secretary, which is entered for consumption or withdrawn from warehouse for consumption after the date of publication of such court decision, shall be subject to classification and assessment of duty in accordance with the final judicial decision on the complainant's protest, and the liquidation of entries covering such merchandise so entered or withdrawn shall be suspended until final disposition is made of such protest, whereupon such entries shall be liquidated, or if necessary, reliquidated in accordance with such final decision. “(b) Any of the foregoing may be entered or withdrawn from warehouse without the payment of duty by a manufacturer, processor, or dealer upon the filing of a bond to insure that any wool or hair entered or withdrawn thereunder shall be used only in the manufacture of press cloth, camel’s hair belting, knit or felt boots, heavy fulled lumbermen’s socks, rugs, carpets, or any other floor coverings. A manufacturer, processor, or dealer may be relieved of liability under his bond with respect to any wool or hair so entered or withdrawn which is transferred in its imported or any other form to another manufacturer, processor, or dealer who has filed a bond to insure that the merchandise so transferred shall be used only in the manufacture of the above-enumerated articles. Every manufacturer, processor, or dealer who has given a bond pursuant to the provisions of this subparagraph shall report any use or transfer of merchandise in violation of the terms of his bond, within thirty days after such use or transfer, to the collector of customs in whose district the bond is filed; and for failure to so report, such manufacturer, processor, or dealer shall be liable to a penalty equal to the value of the merchandise so used or transferred at the time and place of such use or transfer. Such penalty shall be in addition to the duties above provided for. The Secretary of the Treasury is authorized to prescribe such regulations and the form, conditions, and amounts of such bonds as may be necessary to carry into effect the provisions of this subparagraph.”

(b) The provisions of paragraph 1101 of the Tariff Act of 1930, as amended by this Act, with respect to wool or hair entered under bond for use in the manufacture of articles enumerated in such paragraph, shall apply with respect to wool or hair under bond on the effective date of this Act, as well as with respect to wool or hair thereafter imported.

The findings of the Board as to the facts, if supported by evidence and in the absence of fraud, shall be conclusive. No additional evidence shall be received by the court, but the court may order additional evidence to be taken before the Board, and the Board may, after hearing such additional evidence, modify its findings of fact and conclusions and file such additional or modified findings and conclusions with the court, and the Board shall file with the court a transcript of the additional record. The judgment and decree of the court shall be final, subject to review as in equity cases.

An applicant for review of a final decision of the Board concerning a claim for benefits shall not be liable for costs, including costs of service, or costs of printing records, except that costs may be assessed by the court against such applicant if the court determines that the proceedings for such review have been instituted or continued without reasonable ground.

Findings of fact and conclusions of law of Board, etc., conclusive; exception.

## DUTIES AND POWERS OF THE BOARD

SEC. 12. (a) For the purpose of any investigation or other proceeding relative to the determination of any right to benefits, or relative to any other matter within its jurisdiction under this Act, the Board shall have the power to issue subpoenas requiring the attendance and testimony of witnesses and the production of any evidence, documentary or otherwise, that relates to any matter under investigation or in question, before the Board or any member, employee, or representative thereof. Any member of the Board or any of its employees or representatives designated by it may administer oaths and affirmations, examine witnesses, and receive evidence. Such attendance of witnesses and production of evidence may be required from any place in the United States or any Territory or possession thereof at any designated place of hearing. All subpoenas may be served and returned by anyone authorized by the Board in the same manner as is now provided by law for the service and return by United States marshals of subpoenas in suits in equity. Such service may also be made by registered mail and in such case the return post-office receipt shall be proof of service. Witnesses summoned in accordance with this subsection shall be paid the same fees and mileage as are paid witnesses in the district courts of the United States.

(b) In case of contumacy by, or refusal to obey a subpoena lawfully issued to, any person, the Board may invoke the aid of the district court of the United States or the United States courts of any Territory or possession, where such person is found or resides or is otherwise subject to service of process, or the District Court of the United States for the District of Columbia if the investigation or proceeding is being carried on in the District of Columbia, in requiring the attendance and testimony of witnesses and the production of evidence. Any such court shall issue an order requiring such person to appear before the Board or its specified employee or representative at the place specified in the subpoena of the Board, whether within or without the judicial district of the court, there to produce evidence, if so ordered, or there to give testimony concerning the matter under investigation or in question; and any failure to obey such order of the court may be punished by said court as a contempt thereof. All orders, writs, and processes in any such proceeding may be served in the judicial district of the district court issuing such order, writ, or process, except that the orders, writs, and processes of the District Court of the United States for the District of Columbia in such proceedings may run and be served anywhere in the United States.

(c) No person shall be excused from attending or testifying in obedience to a subpoena issued under this Act or from complying with any subpoena duces tecum issued under this Act, on the ground that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture; but no person shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled, after having claimed his privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, but such person so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

Certification of claims for benefits and refunds.

(e) The Board shall provide for the certification of claims for benefits and refunds and may arrange total or partial settlements at such times and in such manner as may appear to the Board to be expedient. The Board shall designate and authorize one or more of its employees to sign vouchers for the payment of benefits and refunds under this Act. Each such employee shall give bond, in form and amount fixed by the Board, conditioned upon the faithful performance of his duties. The premiums due on such bonds shall be paid from the fund and deemed to be a part of the expenses of administering this Act.

(g) In determining whether an employee has qualified for benefits in accordance with section 3 (a) of this Act, and in determining the amount of benefits to be paid to such employee in accordance with sections 2 (a) and 2 (c) of this Act, the Board is authorized to consider as employment (and compensation therefor) services for hire other than employment (and remuneration therefor) if such services for hire are subject to an unemployment-compensation law of any State, provided that such State has agreed to reimburse the United States such portion of the benefits to be paid upon such basis to such employee as the Board deems equitable. Any amounts collected pursuant to this paragraph shall be credited to the account.

Eligibility under State law.

If a State, in determining whether an employee is eligible for unemployment benefits under an unemployment compensation law of such State, and in determining the amount of unemployment benefits to be paid to such employee pursuant to such unemployment compensation law, considers as services for hire (and remuneration therefor) included within the provisions of such unemployment-compensation law, employment (and compensation therefor) after June 30, 1939, the Board is authorized to reimburse such State such portion of such unemployment benefits as the Board deems equitable; such reimbursements shall be paid from the account, and are included within the meaning of the word "benefits" as used in this Act.

(h) The Board may enter into agreements or arrangements with employers, organizations of employers, and railway-labor organizations which are duly organized in accordance with the provisions of the Railway Labor Act, for securing the performance of services or the use of facilities in connection with the administration of this Act, and may compensate any such employer or organization therefor upon such reasonable basis as the Board shall prescribe, but not to exceed the additional expense incurred by such employer or organization by reason of the performance of such services or making available the use of such facilities pursuant to such agreements or arrangements. Such employers and organizations, and persons employed by either of them, shall not be subject to the Act of Congress approved March 3, 1917 (39 Stat. 1106, ch. 163, sec. 1).

(i) The Board may establish, maintain, and operate free employment offices, and may designate as free employment offices facilities maintained by (i) a railway labor organization which is duly authorized and designated to represent employees in accordance with the Railway Labor Act, or (ii) any other labor organization which has been or may be organized in accordance with the provisions of the Railway Labor Act, or (iii) one or more employers, or (iv) an organization of employers, or (v) a group of such employers and labor organizations, or (vi) a State, Territorial, foreign, or the Federal Government. The Board shall prescribe a procedure for registration of unemployed employees at employment offices. Such procedure for registration shall be prescribed with a view to such registration affording substantial evidence of the days of unemployment of the employees who register. The Board may, when such registration is made personally by an employee, accept such registration as initial proof of unemployment sufficient to certify for payment a claim for benefits.

The regulations of the Board concerning registration at employment offices by unemployed persons may provide for group registration and reporting, through employers, and need not be uniform with respect to different classes of employees.

(1) In addition to the powers and duties expressly provided, the Board shall have and exercise all the powers and duties necessary to administer or incidental to administering this Act, and in connection therewith shall have such of the powers, duties, and remedies provided in section 10 (b) (4) of the Railroad Retirement Act of 1937, with respect to the administration of said Act, as are not inconsistent with the express provisions of this Act. A person in the employ of the Board under section 205 of the Act of Congress approved June 24, 1937 (50 Stat. 307), shall acquire a competitive classified civil-service status if, after recommendation by the Board to the Civil Service Commission, he shall pass such noncompetitive tests of fitness as the Civil Service Commission may prescribe.

The Board may employ such persons and provide for their remuneration and expenses, as may be necessary for the proper administration of this Act. Such persons shall be employed and their remuneration prescribed in accordance with the civil-service laws and the Classification Act of 1923, except that the Board may fix the salary of a Director of Unemployment Insurance at \$10,000 per annum: *Provided*, That in the employment of such persons the Board shall give preference, as between applicants attaining the same grades, to persons who have had experience in railroad service, and notwithstanding any other provisions of law, rules, or regulations, no other preference shall be given or recognized: *And provided further*, That certification by the Civil Service Commission of persons for appointment to any positions at minimum salaries of \$4,600 per annum, or less, shall, if the Board so requests, be upon the basis of competitive examinations, written, oral, or both, as the Board may request.

**EXCLUSIVENESS OF PROVISIONS; TRANSFERS FROM STATE UNEMPLOYMENT COMPENSATION ACCOUNTS TO RAILROAD UNEMPLOYMENT INSURANCE ACCOUNT**

**SEC. 13.** (a) Effective July 1, 1939, section 907 (c) of the Social Security Act is hereby amended by substituting a semicolon for the period at the end thereof, and by adding: "(8) service performed in the employ of an employer as defined in the Railroad Unemployment Insurance Act and service performed as an employee representative as defined in said Act."

(b) By enactment of this Act the Congress makes exclusive provision for the payment of unemployment benefits for unemployment occurring after June 30, 1939, based upon employment (as defined in this Act). No employee shall have or assert any right to unemployment benefits under an unemployment compensation law of any State with respect to unemployment occurring after June 30, 1939, based upon employment (as defined in this Act). The Congress finds and declares that by virtue of the enactment of this Act, the application of State unemployment compensation laws after June 30, 1939, to such employment, except pursuant to section 12 (g) of this Act, would constitute an undue burden upon, and an undue interference with the effective regulation of, interstate commerce. In furtherance of such determination, after June 30, 1939, the term "person" as used in section 906 of the Social Security Act shall not be construed to include any employer (as defined in this Act) or any

(c) The Social Security Board is hereby directed to determine for each State, after agreement with the Railroad Retirement Board, and after consultation with such State; the total (hereinafter referred to as the "preliminary amount") of (i) the amount remaining as the balances of reserve accounts of employers as of June 30, 1939, if the unemployment compensation law of such State provides for a type of fund known as "Reserve Accounts", plus (ii) if the unemployment compensation law of such State provides for a type of fund known as "Pooled Fund" or "Pooled Account", that proportion of the balance of such fund or account of such State as of June 30, 1939, as the amount of taxes or contributions collected from employers and their employees prior to July 1, 1939, pursuant to its unemployment compensation law and credited to such fund or account bears to all such taxes or contributions theretofore collected from all persons subject to its unemployment compensation law and credited to such fund or account; and the additional amounts (hereinafter referred to as the "liquidating amount") of taxes or contributions collected from employers and their employees from July 1, 1939 to December 31, 1939, pursuant to its unemployment compensation law.

(d) The Social Security Board shall withhold from certification to the Secretary of the Treasury for payment the amounts determined by it pursuant to section 302 (a) of the Social Security Act to be necessary for the proper administration of each State's unemployment-compensation law, until an amount equal to its "preliminary amount" plus interest from July 1, 1939, at 2½ per centum per annum on such portion thereof as has not been used as the measure for withholding certification for payment, has been so withheld from certification pursuant to this paragraph: *Provided, however*, That if a State shall, prior to whichever is the later of (i) thirty days after the close of the first regular session of its legislature which begins after the approval of this Act, and (ii) July 1, 1939, authorize and direct the Secretary of the Treasury to transfer from its account in the unemployment trust fund to the railroad unemployment-compensation account in the unemployment trust fund an amount equal to its "preliminary amount", no amount shall be withheld from certification for payment to such State pursuant to this paragraph.

“(a) The employer shall furnish such medical, surgical, and other attendance or treatment, nurse and hospital service, medicine, crutches, and apparatus for such period as the nature of the injury or the process of recovery may require. If the employer fails to provide the same, after request by the injured employee, such injured employee may do so at the expense of the employer. The employee shall not be entitled to recover any amount expended by him for such treatment or services unless he shall have requested the employer to furnish the same and the employer shall have refused or neglected to do so, or unless the nature of the injury required such treatment and services and the employer or his superintendent or foreman having knowledge of such injury shall have neglected to provide the same; nor shall any claim for medical or surgical treatment be valid and enforceable, as against such employer, unless within twenty days following the first treatment the physician giving such treatment furnish to the employer and the deputy commissioner a report of such injury and treatment, on a form prescribed by the Commission. The deputy commissioner may, however, excuse the failure to furnish such report within twenty days when he finds it to be in the interest of justice to do so, and he may, upon application by a party in interest, make an award for the reasonable value of such medical or surgical treatment so obtained by the employee. If at any time during such period the employee unreasonably refuses to submit to medical or surgical treatment, the deputy commissioner may, by order, suspend the payment of further compensation during such time as such refusal continues, and no compensation shall be paid at any time during the period of such suspension, unless the circumstances justified the refusal.”

The employer shall, however, have a cause of action against such third party to recover any amounts paid by him for such medical treatment in like manner as provided in section 33 (b) of this Act.”

AN ACT

To amend the Act entitled "An Act to authorize the President to provide housing for war needs", approved May 16, 1918, as amended.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Act* entitled "An Act to authorize the President to provide housing for war needs", approved May 16, 1918, as amended, is hereby amended by adding at the end thereof the following new sections:

"SEC. 9. The United States Housing Corporation (hereinafter referred to as the 'Corporation') is authorized and directed to accept from any person holding an existing contract for the property in the Lincoln Gardens project, New Brunswick, New Jersey, a full release of any right or interest any such person may have acquired by reason of any such contract. Upon tender of release by any such person and acceptance by said Corporation, such contract shall become null and void and of no further force or effect, and shall be considered as a forfeiture of any right or interest any person may have acquired under or by reason of such contract.

"SEC. 10. Upon any such tender, acceptance, and forfeiture, the Corporation shall sell to such person the property covered by such forfeited contract for an amount equal to the sum of (a) 15 per centum of the original contract price of such property, (b) any sum which was due the Corporation under such contract and unpaid on the date of such forfeiture, and (c) the value of any other valid liens (but not tax liens) against such property existing on the date of such sale. Such sale shall be made upon the terms and conditions set forth in section 11 hereof, and the purchaser shall have the option to elect whether to pay the purchase price in cash or partly in cash, or to have the payment of the same in whole or in part secured by the mortgage referred to in section 11.

"SEC. 11. Upon the sale of such property as provided in section 10, the Corporation shall, notwithstanding any alleged tax liens against such property, execute and deliver to the purchaser a warranty deed for such property, free and clear of all encumbrances to the date of such sale. The United States, upon conveyance, shall retain a first lien for any unpaid portion of the purchase price. To secure such lien the purchaser shall execute and deliver a first mortgage to the Corporation for any unpaid portion (or all) of the purchase price. The amount of such mortgage may be increased, as may be determined by the Secretary of the Treasury and the Reconstruction Finance Corporation pursuant to the rules and regulations adopted under the provision of section 13 (b) hereof, but the face amount of any such mortgage shall not exceed 50 per centum of the original contract price at which the property was first sold by the United States. Such first mortgages shall be executed upon a form approved by the Federal Housing Administrator for use in the State of New Jersey, shall bear interest at a rate not to exceed 5 per centum per annum, and shall contain such further terms and conditions as may be necessary to make them legally eligible for insurance under title 2 of the National Housing Act as amended: *Provided*, That at the option of the purchaser such mortgages may be made to mature in not to exceed fifteen years. The Corporation is hereby authorized and directed to apply for such insurance.

A copy of such report, findings, and recommendations shall be mailed to the protestant ten days before being presented to the Commissioners, and the protestant may, before such report, findings, and recommendations are presented to the Commissioners, file with such agent or agents exceptions to such report and findings, which exceptions shall be presented to the Commissioners with such report, findings, and recommendations. If the Commissioners find that the property of the owner so protesting is not benefited by the improvement for which said assessment is levied, or is benefited less than the amount of such assessment or is unequally or inequitably assessed with relation to other property abutting such improvement, said Commissioners shall abate, reduce, or adjust such assessment in accordance with such findings. In computing the time hereinafter provided in which a special assessment may be paid without interest there shall be excluded therefrom the time between the date of the filing of any such protest and the date of mailing notice of the action thereon by the Commissioners. This section shall be effective only as to assessments levied for work completed subsequent to the passage and approval of this Act.

SEC. 2. The Commissioners of the District of Columbia are authorized, but not directed, whenever in their judgment and discretion any property upon which a special assessment has been levied by the District of Columbia is not benefited by the improvement for which such special assessment was levied, or is benefited less than the amount of such assessment, or is unequally or inequitably assessed with relation to other property abutting such improvement, to abate, reduce, or adjust such assessment in accordance with such finding. This section shall not apply to any assessment levied by a jury in a condemnation proceeding, or to any assessment levied for work completed subsequent to the passage and approval of this Act, or to any assessment levied under the Act of Congress entitled "An Act to provide for special assessments for the paving of roadways and the laying of curbs and gutters", approved February 20, 1931: *Provided, however,* That nothing in this section shall be construed as affecting protests filed under the provisions of said Act of February 20, 1931, within the time prescribed in said Act.

SEC. 3. (a) When any special assessment for a public improvement, with the exception of assessments levied in condemnation proceedings, is levied by the District of Columbia upon any lot or parcel of land, notice of the levying of such assessment shall be served upon the record owner thereof in the manner herein provided and if there be more than one record owner of such lot or parcel of land notice served on one of the owners shall be sufficient. If the address of the owner be unknown or if the owner be a nonresident, such notice shall be served on his tenant or agent. The service of such notice shall be either personal or by leaving the same with some person of suitable age at the residence or place of business of such owner, agent, or tenant. If there be no tenant or agent known to the Commissioners, then they shall give notice of such assessment by advertisement once a week for two successive weeks in some daily newspaper of general circulation published in the District of Columbia. The cost of such publication shall be paid out of the general revenues of the District. The notice herein provided for shall be in lieu of any and all other notice now required by law.

(b) All special assessments authorized to be levied by the District of Columbia for public improvements, with the exception of assessments levied in condemnation proceedings, may be paid without interest within sixty days from the date of service of notice or of the last publication of notice as the case may be. Interest of one-half of 1 per centum for each month or part thereof shall be charged on all unpaid amounts from the expiration of sixty days from the date of service or last publication as the case may be. Any such assessment may be paid in three equal installments with interest thereon. If any such assessment or any part thereof shall remain unpaid after the expiration of two years from date of service of notice or last publication of notice as the case may be, the property against which said assessment was levied may be sold for such assessment or unpaid portion thereof with interest and penalties thereon at the next ensuing annual tax sale in the same manner and under the same conditions as property sold for delinquent general taxes, if said assessment with interest and penalties thereon shall not have been paid in full prior to said sale.

Application of subsection.

This subsection shall apply only to assessments for public improvements completed subsequent to the date of the approval of this Act, and assessments for public improvements completed on or before the date of the approval of this Act shall be levied and collected and bear interest as if this Act had not been passed, except that where service sewers or water mains, or both, have been laid prior to the approval of this Act, but assessments therefor have not been levied for the reason that the property abutting the street, avenue, road, or alley in which the service sewer or water main is laid has not been subdivided, assessments for such sewers or water mains, or both, levied after the approval of this Act because of the subdivision of the property or its connection with the sewer or water main, or both, shall be levied, collected, and bear interest as provided in this subsection.

If any such assessment or any part thereof shall remain unpaid after the expiration of four years from the date of the ratification or confirmation of the verdict of the jury the property against which said assessment was levied may be sold for such assessment or unpaid portion thereof with interest and penalties thereon at the next ensuing annual tax sale in the same manner and under the same conditions as property sold for delinquent general taxes, if said assessment with interest and penalties thereon shall not have been paid in full prior to said sale. This section shall apply only to assessments ratified or confirmed by the court after the date of the approval of this Act and assessments ratified or confirmed on or before the date of the approval of this Act shall be levied and collected and bear interest as if this Act had not been passed.

Removal of nuisances; assessments authorized for reimbursement.

SEC. 5. All assessments authorized to be levied by the District of Columbia to reimburse it for money expended in the removal of nuisances shall bear interest at the rate of one-half of 1 per centum per month or part thereof from the date such assessment was levied. If any such assessment shall remain unpaid after the expiration of sixty days from the date such assessment was levied the

property against which such assessment was levied may be sold for such assessment with interest and penalties thereon at the next ensuing annual tax sale in the same manner and under the same conditions as property sold for delinquent general taxes, if such assessment with interest and penalties thereon shall not have been paid in full prior to said sale.

SEC. 6. The Commissioners of the District of Columbia are hereby authorized and directed, in any case where a special assessment for public improvements in the District of Columbia, other than an assessment levied by a jury in a condemnation proceeding, has been or hereafter may be quashed, set aside, or declared void by any court for any reason other than the right of the public authorities to levy an assessment for such improvement, to reassess the property in accordance with the benefits received from such improvement, after notice to the owner of the property and an opportunity afforded him to be heard, the hearing to be had before such agent or agents as the Commissioners may designate. At such hearing physical facts which may be ascertained by view may be considered, whether proven or not. Such agent or agents shall report in writing to the Commissioners the substance of the evidence taken and the arguments made at the hearing, together with the findings (which may include a statement of any physical facts not proven at the hearing which may be ascertained by view) and the recommendations of such agent or agents. A copy of such report, findings, and recommendations shall be mailed to the protestant ten days before being presented to the Commissioners, and the protestant may, before such report, findings, and recommendations are presented to the Commissioners, file with such agent or agents exceptions to such report and findings, which exceptions shall be presented to the Commissioners with such report, findings, and recommendations. The reassessment shall be made within one year from the date the judgment or decree quashing, setting aside, or declaring void the assessment becomes final and not subject to review. Notice of such reassessment shall be given the property owner in the same manner as if such reassessment was an original assessment, and such reassessment shall bear interest and be collected in the same manner as if such reassessment was an original assessment.

## [CHAPTER 4]

## AN ACT

For the relief of Isador Katz.

January 12, 1938  
[H. R. 4569]

[Private, No. 409]

Isador Katz.  
Preamble.

Whereas Isador Katz came to the United States from Bremen, Germany, in 1926 and arrived at New York on the steamship President Roosevelt on October 29 of that year; and

Whereas prior to coming to this country he had exercised every effort of which he knew to procure an authoritative visa to his passport and had applied at the police station in Hamburg, Germany, to get information in this regard and had followed the advice and suggestions given; and

Whereas he believed that the visa he had procured was legal and authentic and had no reason to believe otherwise; and

Whereas after he had been in this country about one month he applied for a declaration of intention to become a citizen and recited in his application a request for a certificate of arrival; and

Whereas at the expiration of the necessary five years he submitted his application for final citizenship papers; and

Whereas he was later advised that the authorities were unable to locate his certificate of arrival and he was subsequently indicted for fraudulent entry on the basis of papers voluntarily submitted by him and was tried on this charge in the United States District Court for the Northern District of Texas sitting at Dallas in February 1934; and

Whereas he was acquitted at said trial of any knowledge of fraud or intention to deceive in the matter of his entry into the United States; and

Whereas he has relatives in this country who have long lived here and enjoyed excellent reputation; and

Whereas he was married in this country ten years or more ago and he has three children of such marriage; and

Whereas he has been entirely self-supporting and has conducted a store in the city of Waxahachie, Texas, for several years and has given and is now giving employment to others; and

Whereas his life and conduct while in the United States have been above reproach; and

Whereas as a matter of justice the facts of his entry and his acquittal of charges of fraud in a Federal court attest the good faith of his entry and the rectitude of his life in this country; and

Whereas the facts of this case are such that no general law applies to afford the relief to which Isador Katz is entitled under the circumstances of his entry and efforts in good faith to become a citizen; and

Whereas the deportation of the said Isador Katz to Germany would under existing conditions impose hazards to which he should not be subjected in the light of his evident good faith: Therefore

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That in the administration of the immigration and naturalization laws the Secretary of Labor is hereby authorized and directed to cancel the warrant of arrest and the order of deportation against Isador Katz heretofore issued on the ground that on October 29, 1926, admission to the United States had been fraudulently gained pursuant to the commission of a passport or visa offense which, subsequent to such admission, has heretofore been held by the Attorney General of the United States to be within the purview of "crimes involving moral turpitude", and thereupon Isador Katz shall hereafter be deemed to have

Cancelation of warrant and deportation order against, directed.

been lawfully admitted to the United States for permanent residence at New York, New York, on October 29, 1926. Any declaration of intention to become a citizen or any petition for citizenship heretofore filed by or any admission to citizenship ordered and certificate of naturalization heretofore issued to Isador Katz which were predicated upon the claim of lawful admission to the United States for permanent residence on October 29, 1926, shall hereafter be deemed valid.

Approved, January 12, 1938.

Declaration, etc., based on claim of lawful admission deemed valid.

<sup>1</sup> On February 8, 1938, notification of adherence to the agreement for the regulation of whaling was given by Mexico to the Government of the United Kingdom of Great Britain and Northern Ireland.

### FINAL ACT.

THE Conference, having this day signed an Agreement for the Regulation of Whaling, to take immediate effect, desires to add, for the consideration of the Governments represented at the Conference, the following observations:—

Final Act.

2. The Agreement is valid for one year and will, it is hoped, continue in force for future years, unless the Governments, or any of them, decide to the contrary. It is likely, in the opinion of the Conference, to go far towards maintaining the stock of whales, upon which the prosperity of the whaling industry depends.

3. Experience may prove, however, that further measures of conservation are necessary or desirable. The Conference desires, therefore, to suggest that certain further methods of conservation and of preventing wastage of whales should be examined by the Governments concerned without delay, and that the Governments should take the necessary measures by legislation to place themselves in a position to impose such further regulations of whaling as experience may dictate.

4. The Agreement prescribes regulations mainly of general application to whaling from factory ships and land stations alike. The most important of these regulations are those requiring the observance of close seasons, prohibiting the taking of whales of certain species already threatened with extinction, prohibiting the taking of female whales with calves or suckling whales and of whales of different species below size limits prescribed for each species, requiring full commercial use to be made of every part of every whale taken, and limiting the time within which, from the time of catching, whales must be treated in a factory ship or land station as the case may be. The purpose of these regulations is to limit the number of whales killed and to prevent the waste of whale material.

5. Certain provisions of the Agreement, however, affect only pelagic whaling, in particular those provisions which absolutely prohibit pelagic whaling for baleen whales in certain large areas of the sea. This differentiation between whaling prosecuted by means of factory ships and by means of land stations needs explanation. It has been urged that whaling as hitherto prosecuted from some land stations, especially near the equatorial zone, has been wasteful and harmful because the physiological condition of the whales taken was such that their oil yield was low and because whales were taken at these stations when they were about to throw their calves. Against this it may be argued that the raising of the size limits for various species under the Agreement will greatly restrict the catch brought to the land stations, that the land stations, not enjoying the mobility of the factory ships, are already handicapped in the pursuit of whales, and that whatever catch they take is a comparatively insignificant fraction of the total catch. The Conference recommends that the

catch of the land stations should be carefully studied and that the Governments should consider, in the light of such study, what further regulations, if any, should be attached to whaling from land stations, either generally or in particular geographical areas. In the view of the Conference, there is a certain risk that the restrictions imposed on pelagic whaling may lead to a development of whaling from land stations, and the Governments should accordingly place themselves in a position to check or regulate such development should it occur.

6. The Conference further recommends that the Governments should put themselves in a position to limit, if it is thought fit, the number of whale catchers that may be employed in connection with any factory ship or land station with a view to further limitation of the destruction of whales.

7. The Governments are also recommended to take powers, if they do not already possess them, to prohibit whaling entirely in any area of the sea either permanently or for a limited period. It is felt that it may be desirable, in the light of experience gained, to close permanently areas which may be proved to be calving areas, or to close from year to year selected areas of the Antarctic Ocean or elsewhere for the purpose of giving to the whales a sanctuary in which they may escape molestation.

8. The Conference also recommends that the Governments should place themselves in a position to regulate the methods of killing whales. Under existing methods of whaling, whales may be fatally injured, but lost owing to defects in the guns or harpoons in use, including the propelling and bursting charges. This involves waste of whales. It is suggested that it may prove desirable so to regulate the methods of taking whales as to ensure that, by the use of suitable explosive charges, or by the use of a harpoon electrically charged, the whale when hit may be speedily killed and wastage thus avoided. Moreover, a regulation of this character may be expected to abate something of the undoubted cruelty of present methods of whaling.

9. The Conference further recommends that the contracting Governments should take steps to prevent this Agreement and any regulations made thereunder from being defeated by the transfer of ships registered in their territories to the Flag of another Government not a party to this Agreement, and suggests that for this purpose it might be provided that the transfer of a factory ship or whale catcher from its national Flag to the Flag of any other country should be permitted only under licence of the Government.

10. The Conference believes that the regulations upon which it has agreed will certainly contribute to the maintenance of the stock of whales and to the prosperity of the whaling industry. Not all the representatives of Governments present at the Conference have been able to sign the Agreement, some of them not being authorised by their Governments in that behalf. It is hoped that all Governments represented will eventually accede to the Agreement. The Conference desires to urge upon the contracting Governments that they should use their utmost endeavours to secure the adhesion of

such Powers as are interested in the whaling industry but were not represented at the present Conference. The Conference recognises that the purpose of the present Agreement may be defeated by the development of unregulated whaling by other countries, in which case it would be a matter for consideration whether the present Agreement should be continued in force, or whether the contracting Governments should not agree to modify their regulations to meet the situation thus created, or even to permit their nationals to pursue whaling without regulation, so that they may derive from its pursuit such benefit as may be had before the stock of whales has been reduced to a level at which whaling ceases to be remunerative. For the Conference is convinced that, unless whaling is now strictly regulated, that eventuality cannot be regarded as remote.

11. In conclusion, the Conference desires to urge that a further Conference should be held at a convenient time next year, at which the results of the forthcoming season may be studied and the question of the modification or extension of the present Agreement be considered.

Done in London, the 8th day of June, 1937, in a single copy, which shall remain deposited in the archives of the Government of the United Kingdom of Great Britain and Northern Ireland, by whom certified copies will be transmitted to the other Governments which have signed the Agreement for the Regulation of Whaling.

No. 241

CANADIAN LEGATION  
*Washington, December 3, 1937.*

SIR:

I have the honour to advise you that as a result of an amendment to the Rules of practice of the Patent Office of Canada—which was adopted in 1933—attorneys who had previously been listed on the Canadian Patent Office Register were no longer permitted to practice before that Office. Subsequently there have been informal negotiations between the Commissioner of Patents of the United States and the Under-Secretary of State of Canada with a view to the conclusion of a reciprocal arrangement.

Reciprocal arrangement with Canada relative to practice before the Patent Offices of both countries.

The negotiations have culminated in the decision of the Government of Canada to substitute for existing Rule 14 under the Patent Act a new Rule to become effective on January 1, 1938, which will read as follows:—

Rules of practice of the Patent Office of Canada, amendment.

14. (1) The names of the following persons shall on request and payment of the prescribed fee of \$5.00 be entered on the Register of Attorneys who are permitted, subject to the qualifications and conditions prescribed by these Rules and Regulations, to practice before the Patent Office:

Text.

(a) Any barrister, solicitor or advocate on the roll of barristers, solicitors or advocates under the Laws of any of the Provinces of Canada;

(b) Notaries entitled to practise their profession under the Laws of the Province of Quebec;

(c) Any barrister, solicitor or attorney resident in any part of the British Commonwealth of Nations, who files proof to the satisfaction of the Commissioner that he is registered and in good standing before the Patent Office of his place of residence and possesses the qualifications required to practice before the said office;

(d) Any attorney resident in the United States of America, who files proof to the satisfaction of the Commissioner that he is registered and in good standing before the Patent Office of the United States of America and possesses the qualifications required to practise before the said office;

(e) The names of Canadian nationals residing in Canada entered on the Register of attorneys on the date of approval of these rules shall be continued thereon. Any Canadian National resident in Canada and who is not a member of the bar of one of the Provinces or a Notary Public of the Province of Quebec, but who has had three years experience in patent work under the personal direction and

supervision of a duly registered patent attorney, or who has served for three years in the examining corps of the Canadian Patent Office, and who shall file proof that he is of good moral character and of good repute and possessed of the necessary technical qualifications to enable him competently to prosecute applications before the Patent Office, may be entered on the register of Patent Attorneys with the approval of the Minister; provided however that attorneys who are not Canadian Nationals may continue to practice with respect to pending applications.

(2) Each person residing outside Canada whose name is entered on the Register of Attorneys, shall state, in respect of each application or other proceeding filed by him in the Patent Office, the name and address of an attorney resident in Canada, who is associated with him in the carriage of the application or other proceeding, and no applications or other proceedings by an attorney resident outside Canada shall be filed, entered or examined until an associate resident in Canada has been so named. The associate so named shall be a person qualified under (a), (b) or (e) of subsection (1) of this section and whose name is entered in the Register of Attorneys in the Patent Office. Notices, letters and other communications relating to the application or other proceeding shall be forwarded by the Office to the Canadian associate and shall be deemed, for the purposes of the Patent Act and of the Rules and Regulations, to have been communicated by the Office to the Attorney filing the application or other proceeding.

(3) The Commissioner of Patents, with the approval of the Minister, after giving notice and opportunity for a hearing, may suspend or exclude, either generally or in any particular case, from further practice before this office any person, agent or attorney shown to be incompetent or disreputable, or guilty of gross misconduct, or who refuses to comply with the rules and regulations, or who shall, with intent to defraud in any manner, deceive, or mislead any applicant or prospective applicant, or other person having immediate or prospective business before the Patent Office by word, circular, letter, or by advertising, or who shall guarantee the successful prosecution of any application for patent or the procurement of any patent, or by word, circular, letter, or advertisement shall make any false promise or misleading representation. The reasons for any such suspension or exclusion shall be duly recorded, and the action of the Commissioner may be reviewed by the Minister. If the name of an attorney registered under (c) or (d) of subsection (1) of this section shall be removed from the list of those registered as entitled to practise before the Patent Office of the Dominion, colony, state or country in which he resides, his name shall be removed by the Commissioner from the Register of Attorneys permitted to practise before the Canadian Patent Office.

(4) All advertising matter of registered patent attorneys or other agents interested in the procuring or developing of patents used for the promotion of their business shall be submitted to the Commissioner before being issued, but such advertising matter shall not contain any matter from which, due to its arrangement or text, it may be inferred that the Commissioner vouches for the statements made therein or the ability or integrity of the advertiser. Any violation of this rule shall incur a penalty of suspension of practice before the Patent Office for one month or for such longer period as the Commissioner may determine.

Proposal of Canada.

It is the understanding of the Canadian Government that, in return for the adoption of this Rule, the Government of the United States will undertake that residents of Canada whose names are entered on the Register of Attorneys permitted to practise before the Patent Office of Canada will be accorded the right of registering in the Register of Attorneys permitted to practice before the United States Patent Office on a reciprocal basis; and that any amendment to the United States Patent Rules which may be necessary to give effect to this arrangement will be adopted. SEÑOR ENCARGADO DE NEGOCIOS:

Tengo el honor de confirmar a V. S. los siguientes términos del Convenio Provisional de Comercio que nuestros respectivos Gobiernos

han acordado establecer mientras se concluyen las negociaciones de un Acuerdo Comercial más comprensivo o de un Tratado de Amistad, Comercio y Navegación.

1°.—Las Partes Contratantes acuerdan concederse reciprocamente el tratamiento incondicional e ilimitado de la nación más favorecida en todo lo que concierne a derechos aduaneros y demás gravámenes accesorios, a la manera de aplicar los derechos como, asimismo, a las reglas y formalidades a que puedan ser sometidas las operaciones de aduana.

2°.—En caso de que el Gobierno de los Estados Unidos de América o el de la República de Chile establezcan o mantengan cualquier forma de restricción cuantitativa o control de la importación o venta de cualquier artículo en el cual el otro país tenga interés, o impongan a la importación o venta de una cantidad determinada de cualquiera de tales artículos un derecho o gravamen menores que los derechos o gravámenes impuestos a las importaciones que excedan de tal cantidad, se concederá al otro país, durante cualquier período de cuota, una participación en la cantidad total de cualquiera de dichos artículos que se permita importar o vender, o que se permita importar o vender con tales derechos o gravámenes menores, equivalentes a la proporción de la importación total de tal artículo que dicho país abasteció durante un período representativo anterior, a menos que se convenga mutuamente desentenderse de tal concesión.

3°.—a) El Gobierno de Chile confirma sus declaraciones anteriores y reitera que tomará las disposiciones necesarias para abolir, tan pronto su posición económica internacional se lo permita, las medidas de control de cambios que afectan la transferencia de pagos por artículos cultivados, producidos o manufacturados en los Estados Unidos de América.

b) Entre tanto, el Gobierno de Chile evitará las medidas de control de cambios que importen el uso de cambios a tipos superiores de aquellos que se fijarían por la libre oferta y demanda del mercado.

4°.—Queda entendido que las ventajas ahora otorgadas o que puedan otorgarse más adelante, los Estados Unidos de América, sus territorios o posesiones, las Islas Filipinas o la Zona del Canal de Panamá entre sí o con la República de Cuba, quedarán exceptuadas de los efectos de este acuerdo; y este Acuerdo no se aplicará respecto de las ventajas ahora otorgadas o que puedan otorgar más tarde los Estados Unidos de América o la República de Chile a los países adyacentes con el objeto de facilitar el pequeño tráfico fronterizo.

5°.—Ninguna de las disposiciones de este acuerdo será interpretada como una limitación al derecho de cualquiera de los dos países para imponer en los términos que crean convenientes, prohibiciones o restricciones (1) impuestas por razones morales o humanitarias; (2) destinadas a proteger la salud o vida humana, animal o vegetal; (3) relativas a artículos manufacturados en las prisiones; (4) referentes al cumplimiento de leyes de policía o de impuestos; o (5) acerca del control de la exportación o venta para la exportación de armamentos,

municiones o implementos de guerra y, en circunstancias excepcionales, todos los demás materiales de guerra.

6°.—Los Acuerdos entre los Estados Unidos de América y la República de Chile, suscritos el 28 de Septiembre de 1931, caducarán el día de la entrada en vigor del presente Convenio si no han caducado ya automáticamente.

7°.—El presente acuerdo continuará en vigor hasta que sea revocado por un Acuerdo Comercial más comprensivo o por un Tratado de Amistad, Comercio y Navegación definitivo, o hasta su denuncia por cualquiera de los dos países mediante una notificación escrita con no menos de 30 días de anticipación.

8°.—Ambos Gobiernos se comprometen a iniciar inmediatamente negociaciones para la celebración de un Tratado de Amistad, Comercio y Navegación.

Acepte Vuestra Señoría las seguridades de mi más alta y distinguida consideración.

SEÑOR MINISTRO:

Tengo el honor de referirme a las recientes conversaciones sostenidas en orden al deseo del Gobierno de Nicaragua de que sea modificado en ciertos respectos el Tratado Comercial entre la República de Nicaragua y los Estados Unidos de América, suscrito en Managua el 11 de Marzo de 1936, a causa de las graves condiciones financieras de emergencia que se ve obligado a afrontar en la actualidad.

Cábeme ahora el honor de confirmar y dejar contancia por medio de la presente nota, del acuerdo a que se ha llegado, como resultado de las conversaciones referidas, entre el Gobierno de Nicaragua y el Gobierno de los Estados Unidos, acerca de que las estipulaciones del Artículo I, las del primer párrafo del Artículo II y las del Artículo III (excepto en cuanto se refiere a la nota primera de la lista I agregada al Tratado) y las del Artículo V del mencionado Tratado de 11 de marzo de 1936, cesarán de estar en vigor y tener efecto a partir del día 10 de marzo del corriente año inclusive, en adelante.

Así mismo, tengo el honor de confirmar que si bien el tipo de cambio entre el córdoba de papel y el córdoba de oro va a ser aumentado para fines de recaudación de derechos aduaneros, el Gobierno de Nicaragua no contempla en realidad un aumento de los derechos básicos especificados en la Lista I del mismo Tratado Comercial.

Tengo la satisfacción de agregar que el Gobierno de Nicaragua tendrá a bien reabrir negociaciones con el Gobierno de los Estados

Unidos, tan pronto como le sea posible, para la renovación o reposición de las estipulaciones de los mencionados Artículos del Tratado Comercial de 11 de marzo de 1936.

Aprovecho la oportunidad para reiterar a Vuestra Excelencia el testimonio de mi consideración alta y distinguida.

MR. MINISTER:

I have the honor to refer to the recent conversations had with regard to the desire of the Government of Nicaragua that the trade agreement between the Republic of Nicaragua and the United States of America signed at Managua on March 11, 1936, be modified in certain respects on account of the grave emergency financial conditions which it is obliged to face at the present time.

I now have the honor to confirm and make of record by means of the present note, the agreement which, as a result of the conversations referred to, has been reached between the Government of Nicaragua and the Government of the United States, that the provisions of article I, those of the first paragraph of article II and those of article III (except insofar as relates to note 1 to schedule I appended to the agreement) and those of article V of the said agreement of March 11, 1936, shall cease to be in force and to have effect from the tenth day of March of the current year, inclusive, forward.

Furthermore, I have the honor to confirm that while the rate of exchange between the paper cordoba and the gold cordoba will be increased for purposes of collection of customs duties, the Government of Nicaragua does not in reality contemplate an increase in the basic duties specified in schedule I of the said trade agreement.

I have the satisfaction of adding that the Government of Nicaragua will be pleased to reopen negotiations with the Government of the United States, as soon as it is possible, for the renewal or replacement of the above-mentioned articles of the trade agreement of March 11, 1936.

I avail myself of the opportunity to renew to Your Excellency the assurance of my highest esteem and distinguished consideration.

*Managua, D. N., Nicaragua, February 8, 1938.*

EXCELLENCY:

Reference is made to recent conversations which have taken place with regard to the desire of the Government of Nicaragua, in view of the emergency financial conditions with which it finds itself confronted, that the Agreement between the United States of America and the Republic of Nicaragua signed at Managua on March 11, 1936, be modified in certain respects.

I have now the honor to confirm and make of record by this note the agreement which as a result of the conversations referred to has been reached between the Government of the United States and the Government of Nicaragua that the provisions of Article I, the First Paragraph of Article Two, Article Three (except insofar as it relates to Note One to Schedule I appended to the Agreement) and Article Five of the Agreement of March 11, 1936, shall cease to have force and effect on and after March 10, 1938.

The Government of the United States has noted that, while the conversion rate between the paper cordoba and gold cordoba will be increased for customs collection purposes, the Government of Nicaragua does not contemplate an increase in the basic rates of duty now specified in Schedule I of the Trade Agreement.

The Government of the United States has noted with pleasure the willingness of the Government of Nicaragua to enter into negotiations, at the earliest practicable date, for the renewal or replacement of the provisions of the above-mentioned articles of the Trade Agreement of March 11, 1936.

I avail myself of this opportunity to renew to Your Excellency the assurances of my highest esteem and most distinguished consideration.

*Arrangement between the United States of America and Sweden for relief from double income tax on shipping profits. Effected by exchange of notes, signed March 31, 1938.*

*The Secretary of State (Hull) to the Swedish Minister (Boström)*

DEPARTMENT OF STATE,  
Washington, March 31, 1938.

SIR:

Arrangement with Sweden for reciprocal relief from double income tax on shipping profits.

In order to insure that American shipping will continue to enjoy the benefits of tax exemption which have been in effect in Sweden pursuant to the exchange of notes commencing with the Swedish Legation's notes of January 27, 1922, and February 24, 1922,<sup>1</sup> I have the honor to inform you that, on condition of reciprocity, corporations, including maritime shipping companies, organized in Sweden, the vessels of which, documented under the laws of Sweden, call at ports in the United States of America either to load or to unload cargo, or to embark or to land passengers, shall be exempted by the Government of the United States of America from the payment of taxes on income or profits derived exclusively from the operation of such vessels.

In consequence thereof, Sweden is held to have satisfied the equivalent exemption provisions of Sections 212 (b) and 231 (e) of the Revenue Act of 1936 and the provisions for taxation of the income of corporations contained in said Act shall in no case be applied to corporations, including maritime shipping companies, organized in Sweden.

This exemption shall apply even though a Swedish corporation or company has an agency or a branch office in the United States, provided that the activities of the agency or branch office are limited to the direct operation of vessels.

By "maritime shipping companies", shall be understood companies which are managed by an "owner" of vessels, the term "owner" including charterers.

Income or profits derived from the operation of vessels shall also include income or profits derived from the sale in the United States of steamship tickets issued by a Swedish corporation or company.

The same exemption from taxation shall, on condition of reciprocity, likewise be enjoyed by subjects of Sweden, not residents in the United States of America, for income which consists exclusively of earnings derived from the operation of a vessel, or vessels, documented under the laws of Sweden.

<sup>1</sup> Notes not printed.

49 Stat. 1715, 1717.  
26 U. S. C., Supp.  
III, §§ 211, 231 (e).

This exemption may be terminated at any time by either Government on six months' notice given to the other Government.

In consequence thereof, the Royal Ordinance of September 28, 1928, concerning Income and Property Taxation, and The Swedish Communal Taxation Law of the same date shall in no case be applied to American shipping corporations, including maritime shipping companies, organized in the United States of America.

This exemption shall apply even though an American corporation or company has an agency or a branch office in Sweden, provided that the activities of the agency or branch office be limited to the direct operation of vessels.

By "maritime shipping companies", shall be understood companies which are managed by an "owner" of vessels, the term "owner" including charterers.

Income or profits derived from the operation of vessels shall also include income or profits derived from the sale in Sweden of steamship tickets issued by an American corporation or company.

The same exemption from taxation shall, on condition of reciprocity, likewise be enjoyed by citizens of the United States of America, not residents in Sweden, for income which consists exclusively of earnings derived from the operation of a vessel, or vessels, documented under the laws of the United States of America.

<sup>1</sup> Notes not printed.

This exemption may be terminated at any time by either Government on six months' notice given to the other Government.

SEÑOR ENCARGADO DE NEGOCIOS:

Con el fin de formalizar el resultado de las conversaciones que he tenido con V. S., tengo la honra de informarle que el Gobierno de Venezuela está dispuesto, mientras se concluye el Tratado de reciprocidad comercial que tienen en consideración los dos Gobiernos, a regular las relaciones comerciales entre los dos países por un *modus vivendi* sobre la base de la aplicación de la cláusula de la nación más favorecida, de conformidad con los artículos siguientes:

Artículo 1º.—Ambos Gobiernos convienen en concederse recíprocamente el tratamiento ilimitado e incondicional de la nación más favorecida en todo lo relativo a derechos de aduana y a todos los impuestos accesorios, a los métodos de percepción de tales derechos, lo mismo que a las reglas y formalidades a que pueden estar sometidas las operaciones aduaneras.

Artículo 2º.—Las estipulaciones del artículo anterior no se aplicarán:

1. A las ventajas acordadas o que se acordaren en lo futuro por los Estados Unidos de Venezuela o por los Estados Unidos de América a países limítrofes a fin de facilitar el tráfico fronterizo; ni se aplicarán tampoco a las ventajas resultantes de uniones aduaneras de que puedan formar parte los Estados Unidos de Venezuela o los Estados Unidos de América.

Las disposiciones de este párrafo continuarán aplicándose respecto de cualesquiera ventajas que ahora o después se acordaren entre sí los Estados Unidos

de América, sus territorios o posesiones o la Zona del Canal de Panamá, con prescindencia de cualquier cambio en el estatuto político de cualquier territorio o posesión de los Estados Unidos de América.

3. A los artículos que se importen a Venezuela y que hayan sido trasbordados en Puerto Rico o en las Islas Vírgenes.

Artículo 3º.—El presente convenio entrará en vigor desde esta fecha, y permanecerá vigente por un período de un año, a menos que sea sustituido antes por un convenio comercial más extenso, o denunciado por uno de los países mediante notificación por escrito con treinta días de anticipación por lo menos.

Sírvase aceptar V. S. las seguridades de mi muy distinguida consideración,

SOFIA, January 5, 1938.

NOTE VERBALE

The Royal Ministry of Foreign Affairs has the honor to inform the Legation of the United States of America that it is prepared to waive, on the basis of reciprocity, the formality of legalization on certificates of origin accompanying merchandise from either country. Under the circumstances the certificates of origin issued by the com-

petent authorities in the United States shall be accepted where required in Bulgaria without legalization or translation. Likewise, Bulgarian certificates of origin issued by the Bulgarian Chambers of Commerce and Industry in Sofia, Plovdiv, Bourgas, Varna, and Roussé shall be accepted also in the United States of America where required without legalization or translation. The Bulgarian certificates of origin shall be in the French language.

In bringing the foregoing to the attention of the Legation of the United States, the Royal Ministry of Foreign Affairs has the honor to request the Legation to be good enough to inform the Ministry of its assent to the foregoing as well as to inform it as to which authorities in the United States shall be competent to issue American certificates of origin.

LEGATION OF THE  
UNITED STATES OF AMERICA

The Legation of the United States of America presents its compliments to the Royal Bulgarian Ministry of Foreign Affairs and has the honor to acknowledge the receipt of the Ministry's note verbale No. 4212-19-II, of January 5, 1938, to the effect that the Bulgarian Government agrees to waive all requirements of legalization on certificates of origin relating to merchandise issued by competent authorities in the United States or by organizations such as Chambers of Commerce.

In view of the assurances set forth in the Ministry's note under acknowledgment, the Legation has been instructed to inform the Ministry that the American Government will not require the legalization or authentication of certificates of origin issued by competent authorities in Bulgaria, such as the Chambers of Commerce and Industry at Sofia, Plovdiv, Bourgas, Varna and Rouse, which are mentioned in the Ministry's note referred to above.

With reference to the penultimate paragraph of the Ministry's note, the Legation has no list on file of the authorities and organizations in the United States which would be competent to issue certificates of origin, but suggests that such organizations would be the Merchants' Association of New York and the Chambers of Commerce in the important centers of the United States.

The Legation avails itself of this opportunity to renew to the Ministry the assurance of its highest consideration.

## NOTE VERBALE

En réponse à la note verbale No. 14 en date du 11 janvier courant, le Ministère Royal des Affaires Étrangères a l'honneur de porter à la connaissance de la Légation des États-Unis d'Amérique que le Gouvernement Bulgare est d'accord avec la Légation de considérer que l'échange des notes du 5 janvier a. c. concernant la non légalisation des certificats d'origine ne s'applique pas aux certificats sanitaires accompagnant des envois d'origine animale ou végétale.

Dans ces conditions la légalisation des dits certificats sanitaires, qu'exigent les autorités Américaines quand ces certificats seront délivrés par les autorités bulgares, comporterait à titre de réciprocité la légalisation des certificats sanitaires délivrés par les autorités Américaines. Cette légalisation devra s'effectuer selon les formes prescrites par la Loi bulgare pour les documents officiels.

Le Ministère Royal saisit cette occasion pour renouveler à la Légation des États-Unis d'Amérique les assurances de sa très haute considération.

## NOTE VERBALE

In reply to the note verbale No. 14 dated January 11 of this month, the Royal Ministry of Foreign Affairs has the honor to inform the Legation of the United States of America that the Bulgarian Government agrees to consider the exchange of notes of January 5 instant concerning the waiving of legalization of certificates of origin as non-applicable to health certificates accompanying shipments of animal or plant origin.

Under the circumstances the legalization of such health certificates, which the American authorities require when issued by the Bulgarian authorities, will necessitate the legalization, on the basis of reciprocity, of health certificates issued by the American authorities. Such legalization shall be performed in accordance with the regulations prescribed by the Bulgarian law concerning official documents.

The Royal Ministry avails itself of this opportunity to renew to the Legation of the United States of America the assurance of its high consideration.

Agreement with  
France respecting  
passport visa fees.

(a)—Passport visas issued to American citizens by French Consuls will be valid for two years, unless the passport is valid for a lesser period, in which case the visa will be valid only during the period of validity of the passport. The passport visa applied for will be granted and the length of sojourn determined in accordance with existing regulations.

A second visa, subject to the same conditions, and provided the passport remains valid, will be issued gratis if applied for by the date of expiration of the original visa or within one year thereafter, provided that the validity of such visa shall not exceed one year nor extend beyond two years from the date on which the original visa was issued.

REPUBLIQUE FRANÇAISE  
*Paris, le 14 janvier 1938*

MONSIEUR L'AMBASSADEUR,

J'ai l'honneur d'accuser réception de votre lettre du 12 janvier 1938 relative à l'augmentation réciproque du tarif des visas de passeports applicable entre nos deux pays et qui stipule:

(a)—Les visas de passeports délivrés par les Consuls français aux citoyens américains seront valables deux ans à moins que le passeport n'ait une validité inférieure, auquel cas le visa ne sera valable que pour la période de validité du passeport. Le visa donnera droit au porteur d'entrer en France aussi souvent qu'il le dési-rera pendant la période de validité. Le coût sera de 75 francs.

(b)—Le coût du visa de passeport de non-immigrant, valable pour un nombre quelconque d'entrées aux Etats-Unis effectuées par le porteur d'un passeport français pendant une période de douze mois à compter de la date de la délivrance du visa, sera de deux dollars soixante quinze cents de la monnaie des Etats-Unis ou son équivalent approximatif en francs, sous réserve que le passeport reste valable pendant cette période et que le statut de non immigrant du porteur du passeport demeure. Le visa de passeport demandé sera accordé et la durée du séjour sera fixée conformément aux règlements en vigueur.

Un second visa, soumis aux mêmes conditions sera, sous réserve que le passeport demeure valable, délivré gratuitement s'il a été demandé au plus tard à la date d'expiration du visa original ou dans l'année qui suivra, à condition que la validité de ce visa n'excède pas un an ou ne s'étende pas au delà de deux ans à compter de la date à laquelle le visa original a été délivré.

(c)—Le coût des visas de transit valables quinze jours délivrés aux ressortissants américains par les consuls français sera de dix francs.

(d)—Le coût des visas de transit délivrés par les Consuls américains aux porteurs de passeports français sera de cinquante cents de la monnaie des Etats-Unis ou l'équivalent approximatif en francs.

(e)—Il ne sera pas perçu de droit de visa sur les membres français ou américains des délégations représentant des associations d'anciens combattants de la guerre visitant temporairement les Etats-Unis ou la France.

(f)—L'arrangement ci-dessus entrera en vigueur le 15 janvier 1938.

Je suis heureux de vous faire connaître l'accord du Gouvernement français sur les termes de l'arrangement qui précède et je donne les instructions nécessaires pour qu'il puisse entrer en vigueur le 15 janvier 1938.

Veillez agréer, Monsieur l'Ambassadeur, les assurances de ma très haute considération.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

National Wild Life  
Week, 1938.  
Preamble.

WHEREAS one of the most important phases of the conservation of our natural resources is the protection and preservation of our wild life; and

WHEREAS this is a work in which virtually our entire citizenship can participate wholeheartedly and enthusiastically, whether resident in the large metropolitan centers, with limited access to the great outdoors, or permitted to enjoy at first hand the wonders of nature; and

WHEREAS the carrying into effect of any program for the conservation of our hereditary wild life—in the past seriously diminished and depleted by destructive exploitation and lack of proper understanding and sympathy—must enlist the support of all of our citizens if the mistakes of the past are to be avoided in the future in dealing with this important resource of incalculable social, economic, esthetic, and recreational value:

NOW, THEREFORE, I, FRANKLIN D. ROOSEVELT, President of the United States of America, do hereby proclaim and designate the week beginning March 20, 1938, as National Wild Life Week and do earnestly appeal to all of our citizens first to recognize the importance of the problem of conservation of these assets in wild life, and then to work with one accord for their proper protection and preservation. To this end I call upon all citizens in every community to give thought during this period to the needs of the denizens of field, forest, and water and intelligent consideration of the best means for translating good intentions into practical action in behalf of these invaluable but inarticulate friends. Only through the full cooperation of all can wild life be restored for the present generation and perpetuated for posterity.
