 the office. The phone number is 5-4725
 in the office. Please do not call the
 Baptist Center.

The protest is keeping the people off
 the bus, and we know it ~~is~~ is more
 than ~~successful~~ ^{number of} successful. A ~~few~~ ^{number of} people
 are working from more than full time to
 part time to operate a transportation
 system inspite of all obstacles ^{placed} against
 us. The people have walked when they could
 not get rides in the most inclimate weather.
 Many are still saying they will walk
 forever before ~~riding the~~ they will go
 back to riding the bus under the same

Conditions.

The drivers have made great sacrafices,
 they sometimes start without eating breakfast, and
 some times do not have time for lunch, risking their
 health. Wearing out their cars, bought at
 great sacrafice

Transportation problems

Riders - go to dispatch and pick up stations if you want transportation. If you have to be picked ~~at~~ up at other places, please be more definite in stating your location, and the time you will be there.

Signal the driver, Try to make him see you. Don't ask if we have a car standing, waiting for you, Have more patience. Don't be rude. Remember, how long some of us had to wait when the buses passed us without stopping in the morning and evening.

Do not call for transportation if you are ~~within~~ within a reasonable walking distance to where you want to go.

In calling for transportation, try not ~~to~~ to hold the line too long. Be as brief as possible. Give your name, location, where you wish to go and phone number, if you can be called back.
