Hon. Edwin M. Stanton,  
Secretary of War,  
Washington. D.C.

Sir:

I have the honor to ask  
you consideration of my application  
for discharge from the Volunteer  
service of the United States from the  
state of New York, I entered the  
service when the government needed  
the services of its loyal citizens, to  
maintain its integrity, suppress  
secession and ensure its permanency,  
on the 16<sup>th</sup> day of May I was  
taken prisoner and suffered all the  
horrors of Andersonville Ga. prison  
untill Nov 20<sup>th</sup> 1864, when I was  
paroled at Savannah, and transported  
to Camp Parole, Annapolis, January,  
1865,  
My Brother Edward

C. Moore, was also taken prisoner at the same time and died from exhaustion and starvation at Millen, Ga. prison in October, 1864,

Returning to duty in February, I was with my regiment up to the occupation of Richmond, and have won promotion for soldierly behavior in discharge of duty,

Having faithfully discharged my duty & my health being impaired by suffering and fatigues incident to my imprisonment, and the treatment I received, I most respectfully request the honorable Secretary to grant me an honorable discharge from the service, which, owing to its inactivity has become onerous to me, Your favorable consideration and reply will be gratefully received, and remembered by you

Obedient Servt.
