Dear Mr. Jackson:

Thank you so much for your generous contribution to the NAACP's efforts to have the Confederate Flag removed from a position of sovereignty on the South Carolina state capital grounds. These funds will go a long way in protecting the civil rights and civil liberties of all Americans. Per your instructions, \$40,000 was sent to the South Carolina State Conference of NAACP Branches and \$10,000 was applied to the national NAACP office to help cover the expenses of this fight.

Your loyal support of our Association is invaluable to us and is thoroughly appreciated by the entire NAACP family. Thank you once again.

With warmest personal regards, I am,

Sincerely,

Kweisi Mfume
