The ISBD and MARC Task Force, chaired by Robert Bremer, has started discussion. They are reviewing ISBD punctuation elements present in MARC in a field by field analysis, working through each ISBD area in turn. A preliminary report is due June 1, 2011, for discussion by the SCA at ALA Annual 2011. The Task Force charge can be found here:

<http://www.loc.gov/catdir/pcc/ISBD-TaskForce.html>

The SCA is discussing the formation of a task force to review source citations in authority records with the goal of increasing automated creation and maintenance options.

Respectfully submitted,
Shana L. McDanold
Chair - PCC Standing Committee on Automation
