National bibliography
For each country, national bibliography includes:
Books printed and published in that country; books by natives or resident authors;
Books written in the language of that country by foreigners (if not confined to authors of one foreign country), i.e., a bibliography of French literature produced by Belgian, Canadian, Italian, Romanian, Russian, and Swiss authors would class under France; but a bibliography of French-Canadian literature would class under Canada;
That country as subject: General bibliographies, and special having to do with literature, biobibliography, history, and description. Other special, as art, music, agriculture, geology, etc, are classed with subject bibliography in Z5051+

Subject bibliography
Subjects are arranged in an alphabetical sequence; however, since a large number of the subjects are broad in scope and supplied with subtopics, it is suggested that the general index to the schedule be used in locating any subject.
For abstracts giving substantive information, see the subject in classes A-Z.
For mechanized bibliographic control of subject bibliography see Z699.5.A+
Academies. Societies. Universities. Museums
Including only bibliography of the learned publications whether official, faculty, or graduate.
Including conference proceedings in general, not limited to a specific topic, whether explicitly associated with an organization or not.
