

PREFACE

The first edition of Subclasses KDZ, KG-KH, *Law of the Americas, Latin America, and the West Indies*, was published in 1984. A 2000 edition cumulated additions and changes that were made during the period 1984-2000, followed by an edition in 2008. Beginning in 2015, editions were issued annually. This 2020 edition includes additions and changes made since the publication of the 2019 edition.

Classification numbers or spans of numbers that appear in parentheses are formerly valid numbers that are now obsolete. Numbers or spans that appear in angle brackets are optional numbers that have never been used at the Library of Congress but are provided for other libraries that wish to use them. In most cases, a parenthesized or angle-bracketed number is accompanied by a "see" reference directing the user to the actual number that the Library of Congress currently uses, or a note explaining Library of Congress practice.

Access to the online version of the full Library of Congress Classification is available on the World Wide Web by subscription to *Classification Web*. Details about ordering and pricing may be obtained from the Cataloging Distribution Service at

New or revised numbers and captions are added to the LC Classification schedules as a result of development proposals made by the cataloging staff of the Library of Congress and cooperating institutions. Upon approval of these proposals by the editorial meeting of the Policy, Training & Cooperative Programs Division, new classification records are created or existing records are revised in the master classification database. Lists of newly approved or revised classification numbers and captions are posted on the World Wide Web at

Jolande Goldberg, law classification specialist in the Policy, Training & Cooperative Programs Division, and Libby Dechman, senior cataloging policy specialist, are responsible for coordinating the overall intellectual and editorial content of class K and its various subclasses. Kent Griffiths, assistant editor, creates new classification records and their associated index terms, and maintains the master database.

This edition of KDZ, KG-KH must be used in conjunction with the separately issued K Tables: Form Division Tables for Law, available for download at
