

Medical, Psychological, and Disability Category L 535

BACKGROUND: *Terms in the Medical, Psychological, and Disability category refer to the medical or psychological condition, or the physical or mental disability, of the group members (e.g., alcoholics; breast cancer patients; people with learning disabilities). In MARC authority records the category is represented by the three-letter code **mpd**.*

This instruction sheet provides specific guidelines on assigning terms from the Medical, Psychological, and Disability category to bibliographic records and to authority records for works, as well as guidelines on establishing new terms in the category. For examples of MARC 21 records to which demographic group terms have been assigned, see L 410-412. For examples of MARC 21 authority records for LC demographic group terms, see L 405.

1. Assigning terms in bibliographic records and in authority records for works. There are not any special provisions for assigning terms from the Medical, Psychological, and Disability category. Assign terms in accordance with L 480 and 485.

2. Proposing terms. There are not any special provisions for establishing terms in the Medical, Psychological, and Disability category. Establish terms according to the guidelines in L 435-476.
