Grammar, Comparative and general
[PT151-P235]
Here are entered: 1. Works comparing and
classifying the grammatical structure of genetically
unrelated languages or groups of languages; 2.
Works in which the principles of grammar in general
are discussed, i.e. general, philosophical or universal
grammar. Works which present a specific comparison
of the grammars of two or more languages or groups
of languages are entered under the name of the
language, with the subdivision Grammar,
Comparative, e.g. 1. Slavic languages—Grammar,
Comparative; or, 1. Russian language—Grammar,
Comparative—English, 2. English language—
Grammar, Comparative—Russian; or, 1. Slavic
languages—Grammar, Comparative—Germanic; 2
Germanic languages—Grammar, Comparative—
