**Note:** The document appears to be a list of historic sites across various regions and countries, including both United States and other international sites. The list is extensive and includes a variety of sites from different states and provinces, covering a wide range of historical significance. The entries are organized by region, with additional subcategories for specific states or provinces, such as North Dakota, Oregon, and Canada. The sites listed vary from national parks and historic sites to specific locations with significant historical events or figures associated with them.

</table>
Hurdy-gurdy (Continued) instrument, usually shaped like a viol, with a crank at the end opposite the pegbox. Works on the small organ, used chiefly by street musicians, in which a barrel with pins or staples is activated by a hand crank, are entered under Barrel organ. Works on the mechanical piano, used chiefly by street musicians, in which a pinned barrel or cylinder is activated by a hand crank are entered under Barrel piano.
