**Note:** The table continues with additional wilderness areas listed by state, each followed by the abbreviation for the state. The list includes various names and locations of wilderness areas across the United States, including Montana, Idaho, Nevada, New Mexico, and other states. The text also includes a mention of the U.S. Fish and Wildlife Service (USFWS) and the National Park Service (NPS) in various capacities, as well as references to other protected areas such as national parks and natural areas. The document ends with a note indicating that the list is continued on the next page.
Badlands Wilderness (Or.)
Blitzen River Wilderness (Or.)
Blue Canyon Wilderness (Or.)
Boulder Creek Wilderness (Or.)
Bull of the Woods Wilderness (Or.)
Camp Creek Wilderness (Or.)
Charles Sheldon Wilderness ( Nev. and Or.)
Cottonwood Creek Wilderness (Or.)
Cummins Creek Wilderness (Or.)
Devil's Garden Lava Bed Wilderness (Or.)
Devil's Staircase Wilderness (Or.)
Diablo Mountain Wilderness (Or.)
Diamond Peak Wilderness (Or.)
Diablo Peak Wilderness (Or.)
Disaster Peak Wilderness (Or. and Nev.)
Drift Creek Wilderness (Or.)
Eagle Cap Wilderness (Or.)

forms or types for an unspecified solo wind instrument.

SA headings for forms and types of music that include eight woodwind and brass instruments and headings with medium of performance that include eight woodwind and brass instruments.

UF Nonets, Wind
SA headings for forms and types of music that include eight woodwind and brass instruments and headings with medium of performance that include eight woodwind and brass instruments.

Wind nonets (Bassoons (3), clarinets (2), horns (2), oboes (2))

WF [M555-M569]

Here are entered collections of nonets not in a specific form or of a specific type for various combinations of five woodwind and brass instruments. Individual wind nonets and collections not in a specific form or of a specific type for a single combination of instruments are entered under this heading followed by a parenthetical qualifier with the instruments in alphabetical order.

Compositions for four brass instruments are entered under Brass quartets; compositions for four woodwind instruments are entered under Woodwind quartets.

UF Quartets, Wind
SA headings for forms and types of music that include four woodwind and brass instruments and headings with medium of performance that include four woodwind and brass instruments.

Wind quartets (Bassoon, clarinet, flute, horn)

WF [M555-M569]

Wind quartets (Bassoon, clarinet, flute, trumpet)

WF [M555-M569]

Wind quartets (Bassoon, clarinet, horn, oboe)

WF [M555-M569]

Wind quartets (Bassoon, flute, horn, oboe)

WF [M555-M569]

Wind quartets (Horns (2), oboes (2))

WF [M555-M569]

Wind quartets (May Subd Geog)

WF [M555-M569]

Here are entered collections of quartets not in a specific form or of a specific type for various combinations of five woodwind and brass instruments. Individual wind quartets and collections not in a specific form or of a specific type for a single combination of instruments are entered under this heading followed by a parenthetical qualifier with the instruments in alphabetical order.

Compositions for three brass instruments are entered under Brass quintets; compositions for five woodwind instruments are entered under Woodwind quintets.

UF Quintets, Wind
SA headings for forms and types of music that include five woodwind and brass instruments and headings with medium of performance that include five woodwind and brass instruments.

Wind quintets, Arranged

WF [M555-M569]

Wind quintets (Bassoon, clarinet, flute, horn, oboe)

WF [M555-M569]

Wind quintets (Bassoon, clarinet, flute, trumpet)

WF [M555-M569]

Wind quintets (May Subd Geog)

WF [M555-M569]

Here are entered collections of quintets not in a specific form or of a specific type for various combinations of five woodwind and brass instruments. Individual wind quintets and collections not in a specific form or of a specific type for a single combination of instruments are entered under this heading followed by a parenthetical qualifier with the instruments in alphabetical order.

Compositions for two brass instruments are entered under Brass sextets; compositions for four woodwind instruments are entered under Woodwind sextets.

UF Sextets, Wind
SA headings for forms and types of music that include four woodwind and brass instruments and headings with medium of performance that include four woodwind and brass instruments.

Wind sextets (Bassoon, clarinet, flute, horn, oboe, trumpet)

WF [M555-M569]

Here are entered collections of sextets not in a specific form or of a specific type for various combinations of six woodwind and brass instruments. Individual wind sextets and collections not in a specific form or of a specific type for a single combination of instruments are entered under this heading followed by a parenthetical qualifier with the instruments in alphabetical order.

Compositions for three brass instruments are entered under Brass septets; compositions for five woodwind instruments are entered under Woodwind septets.

UF Septets, Wind
SA headings for forms and types of music that include five woodwind and brass instruments and headings with medium of performance that include five woodwind and brass instruments.

Wind septets, Arranged

WF [M555-M569]

Wind septets (Bassoon, clarinet, flute, horn, oboe, trombone)

WF [M555-M569]

Wind septets (Bassoon, clarinet, flute, horn, oboe, tuba)

WF [M555-M569]

Wind septets (May Subd Geog)

WF [M555-M569]

Here are entered collections of septets not in a specific form or of a specific type for various combinations of seven woodwind and brass instruments. Individual wind septets and collections not in a specific form or of a specific type for a single combination of instruments are entered under this heading followed by a parenthetical qualifier with the instruments in alphabetical order.

Compositions for two brass instruments are entered under Brass octets; compositions for four woodwind instruments are entered under Woodwind octets.

UF Octets, Wind
SA headings for forms and types of music that include eight woodwind and brass instruments and headings with medium of performance that include eight woodwind and brass instruments.

Wind octets (Bassoons (2), English horns (2), horns (2), oboes (2), arranged)

WF [M555-M569]

Here are entered collections of octets not in a specific form or of a specific type for various combinations of eight woodwind and brass instruments. Individual wind octets and collections not in a specific form or of a specific type for a single combination of instruments are entered under this heading followed by a parenthetical qualifier with the instruments in alphabetical order.

Compositions for three brass instruments are entered under Brass octets; compositions for eight woodwind instruments are entered under Woodwind octets.

UF Octets, Wind
SA headings for forms and types of music that include eight woodwind and brass instruments and headings with medium of performance that include eight woodwind and brass instruments.

Wind octets (Bassoons (2), English horns (2), horns (2), oboes (2))

WF [M555-M569]

Wind octets (May Subd Geog)

WF [M555-M569]

Here are entered collections of octets not in a specific form or of a specific type for various combinations of eight woodwind and brass instruments. Individual wind octets and collections not in a specific form or of a specific type for a single combination of instruments are entered under this heading followed by a parenthetical qualifier with the instruments in alphabetical order.

Compositions for three brass instruments are entered under Brass octets; compositions for five woodwind instruments are entered under Woodwind octets.

UF Octets, Wind
SA headings for forms and types of music that include five woodwind and brass instruments and headings with medium of performance that include five woodwind and brass instruments.

Wind octets, Arranged

WF [M555-M569]

Wind octets (Bassoon, clarinet, flute, horn, oboe)

WF [M555-M569]

Wind octets (Bassoon, clarinet, flute, trombone)

WF [M555-M569]

Wind octets (Bassoon, clarinet, horn, oboe)

WF [M555-M569]

Wind octets (May Subd Geog)

WF [M555-M569]

Here are entered collections of octets not in a specific form or of a specific type for various combinations of eight woodwind and brass instruments. Individual wind octets and collections not in a specific form or of a specific type for a single combination of instruments are entered under this heading followed by a parenthetical qualifier with the instruments in alphabetical order.

Compositions for four brass instruments are entered under Brass octets; compositions for five woodwind instruments are entered under Woodwind octets.

UF Octets, Wind
SA headings for forms and types of music that include five woodwind and brass instruments and headings with medium of performance that include five woodwind and brass instruments.

Wind octets, Arranged

Writing, Arabic

[240-240.5]

Here are entered works on the process or result of recording language in the form of conventionalized visible marks or graphic signs on a surface. Works on the writing of a particular language are entered under the name of the language with subdivisions Alphabet and Writing, e.g. Greek language—Alphabet; Egyptian language—Writing. Works on systems of writing used by several peoples are entered under Writing, followed by the name of the system, e.g. Writing, Arabic.

General and comparative works on the Semitic alphabet and its ancient and modern derivatives, or with similar series of characters employed to represent the sounds of a language, are entered under Alphabet.

Works on variations in the style of writing in the past, and especially with ancient and medieval handwriting, are entered under Paleography.

Works on written languages as a form of communication or discourse are entered under Written communication.
