BACKGROUND: When a subject authority record is deleted under the guidelines given in H 193, sec. 14, a note explaining the reason for the deletion is provided for the benefit of subscribers to the MARC Distribution Service Subject-Authorities. This explanation is given in a 682 field that appears on the tentative and approved lists and is distributed with the deleted record. This instruction sheet provides the standard wording that is used in 682 fields.

1. Cancellation of Library of Congress subject headings. When submitting a proposal to delete a subject authority record for a Library of Congress subject heading, add a 682 field with the appropriate note selected from the list that follows. If none of these explanations is appropriate for the case in hand, compose an original note that provides a clear explanation of why the record is being deleted. The Data Integrity Section will edit the note as necessary to standardize the wording.
