

Author: Lewis, Samuel E. (Samuel Edwin), 1838-1917.
Title: Papers, 1861-1917.
Description: approximately 3350 items.
Notes: Physician and pharmacist, of Washington, D.C.
Correspondence, notes, real property records, and
other papers, relating to Lewis's service in Medical Dept. of
Confederate Army, practice as a physician and pharmacist in
Washington, D.C., and activities as member and officer of
various Confederate veterans' organizations, including local
and national societies of United Confederate Veterans and
Association of Medical Officers of the Army and Navy of the
Confederacy; together with materials concerning reburial of
Confederate dead in Arlington National Cemetery,
identification and marking of Confederate graves in northern
cemeteries, and history of Confederate battle flags and
official seals.
Acquired upon merger with Confederate Memorial
Association in 1946.
Finding aid in the repository.
