WONB-FM has been one of two radio stations serving Hardin County, Ohio for the past nineteen years. WONB runs, on the average, 30,000 public service announcements every year on behalf of local non-profits. We are a non-commercial radio station, with funding from Ohio Northern University.

WONB believes, wholeheartedly, the terms of the agreement negotiated by College Broadcasters, Inc. and SoundExchange and published in the Federal Register on April 1, 2010, represents our station's interests. WONB believes the agreement provides a reasonable basis for setting statutory terms and rates.

We have been a long time member and supporter of the College Broadcasters Inc. and we believe the agreement negotiated by CBI is fair and workable. It allows WONB to continue programming to our community and to our small but growing internet audience.
