

Integrating Resources Cataloging

Based on the revised chapters 9 and 12 of AACR2, this two-day course covers all integrating resources, with an emphasis on electronic resources. Attendees will review the new rules added to these AACR2 chapters, review case studies of the difficult aspects of cataloging electronic integrating resources, and learn the latest about cataloging monographs, serials, and electronic resources. The program will cover:

- identifying integrating resources
- cataloging updating Web sites, databases, and loose-leafs
- changing records
- selecting resources and options for access.
